Romance - Great 4th Book!! Von Bianca @BJsBB 4,9 of 5 Stars Marriage to a Billionaire Series by Jennifer Probst: #1 The Marriage Bargain #2 The Marriage Trap #3 The Marriage Mistake #4 The Marriage Merger I love this series!!! 4 short-ish, sexy and cute Romances! Book 4 was the best one so far - in my opinion. I loved them all - but this one seemed a bit MORE, more grown-up, darker, more serious and it made me cry a few times. In Milan, Italy we meet Julietta Conte. We met her in the previous books in the series - where her siblings found their true love. Now it's her turn - only she doesn't really want a man. She's happy with her life - running her family's Bakery Empire. Love life? She's been called frigid by some ex-boyfriends. And since she kind of agrees with that, she decided to just give up men and sex entirely. Enter - her sister's Love-Spell book. Just to stop Carina from getting on her nerves she follows the steps in the book and writes her 'Dream-Man-List'. That's when Sawyer Wells comes calling - we met him in book 3 in Las Vegas - he's a good friend of Carina's Husband Max. He is about to start a chain of luxury hotels - PURITY - and he wants Julietta's Bakery! The moment they meet - business is NOT what he's thinking about. He immediately notices her submissive tendencies - hidden behind her tough CEO persona, and he's very intrigued. Because of his sad past he doesn't do relationships, he doesn't do love - he believes love does not exist. I won't say anything more about his past - he'll tell you himself! Julietta doesn't want to admit that she's also attracted to him - that's how they end up making a wager, while out riding their motorbikes: One kiss - and if she doesn't feel anything, he will back off. This wager turns into another, bigger one: One night - and if Sawyer can't give her an orgasm, she has full approval over anything to do with her Bakery La Dolce Famiglia in his hotels. That's a bet she can't resist. She loses, of course - but you need to read the book to find out how and what happens after that. I don't like to spoil too much! - We learn a lot about Sawyer's past, his sad and lonely childhood and teenage years, and how he came to be a billionaire. - We meet Julietta's family again - we're having dinner at her Mama's house I soo want to go and have dinner at Mama Conte's! - As the title of the book already suggests, there will be a marriage- and of course, like in the previous 3 books NOT a planned LOVE-marriage at first. But we'll get there of course. - The most important 'thing' we come across in this book - is Wolfe! He was the best part of the book - he's a 19-year-old kid that Sawyer took off the streets. He gave him a chance at a good life. And again I won't tell you too much about it. I just hope we'll see him again once he's all grown up I really loved the book - it starts a bit slow - not much happening at the beginning - but lots of sparks are flying when Julietta and Sawyer are in the same room! If you're a fan of sexy romances - this book is a MUST-READ! I would suggest you read the first 3 books before reading this one. You don't have to - but pfff why shouldn't you??
