**Von Karla Darcy : The Masked Heart (Sweet Deception Regency Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Masked Heart (Sweet Deception

Regency Book 1) (English Edition):

Kurzbeschreibung Karla Darcy, award winning author and #1 Regency Bestseller, Brings you the first book in her Sweet Deception Series. "This is Regency romance at its best." Debbie Macomber, #1 NYT bestselling author "Karla Darcy weaves one fabulous Regency Romance after another. Wise, witty and wonderful. Move over Jane for another Darcy you will love!" Mary Alice Monroe, NY Times author of Beach House Memories "Fans of Downton Abbey and Jane Austen (without zombies) will adore this book. Karla Darcy makes us remember why we lose sense and sensibility for a sexy Regency hero and captures the era with a glorious and colorful voice!" Roxanne St. Claire, New York Times Bestselling Author The Masked Heart is a charming romantic comedy of manners featuring historical Englands Regency era London theater and the danger of mistaken identity. If you love Jane Austen and Downton Abbey, youll love this humorous Regency romance, The Masked Heart! Miss Blaine Meriweather is a young woman of good family whose estate is in financial shambles. How will she care for her brother and sister? Out of options, she becomes the astonishing actress La Solitaire! Imagine the scandal if anyone discovers her identity! Blaines wild success saves her family. All should be well. The only thing she hadn't counted on was Lord Farrington, who is determined to make La Solitaire his mistress!
