This book is good, but not great.Von Ein KundeBarbara Michaels seems to have no new ideas, if you've read a couple of her books, there is no need to read this one, it is a variation of all her other books.0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Damaris Gordon shuddered at the thought of working for the cruel and bitter Master of Blacktower but her father's death left her no choice. Suddenly her father's life itself was in the black silk-gloved hands of Gavin Hamilton, a man scarred and tortured by an unspoken past, whose mocking laughter echoes through his ancient Scottish estate. Damaris has heard the whispers that accuse Gavin Hamilton of his wife's death and his young daughter's crippling injury. But the pain and sadness barely hidden behind his blazing dark stare touch Damaris deeply and a courageous heart is luring her to the estate's topmost tower in search of his dangerous secrets.
