Von Jessi Bond : The Master's Exploits: Night Three (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Master's Exploits: Night Three (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schade - es begann so hoffnungsvoll Von Bianca Flier Von den ersten beiden Folgen dieser Fortsetzungsgeschichte war ich echt begeistert. Nochmals kurz zur Rahmenhandlung: Die Ghostwriterin Grace trifft sich mit dem dominanten Dalton, um aufgrund seiner Erzählungen seine Memoiren zu schreiben. Dass Grace selbst bald von Dalton fasziniert ist, hat mir

eigentlich gut gefallen, es versprach zusätzlich zu den von ihm preisgegebenen Erlebnissen eine spannende Sache zu werden. Nun ist die dritte Folge erschienen, und Grace bittet darin förmlich auf den Knien darum, von Dalton unterworfen zu werden. Das finde ich nun irgendwie langweilig, ich hätte mir gewünscht, dass sich die Love Affair zwischen den beiden langsam anbahnt, mit aufregenden Steigerungen. Auch, dass sie ihm besser Paroli bietet anstatt auf den vor ihm rumzurutschen und ihn demütigt als Master anzusprechen. Schade drum. Die Autorin hat zum Schluss der Episode ihre Leser darum gebeten, ihr Tipps zum Weiterführen der Story zu geben. Aber wie kann man eine Story fortführen, die eigentlich schon gelaufen ist? Vielleicht ist auch deshalb bis jetzt keine weitere Fortsetzung mehr erschienen.

Kurzbeschreibung Just one man, one woman, and a lifetime of steamy, heart-pounding memories. Welcome to THE MASTERS EXPLOITS. Dalton Alexander: alpha male, experienced dominant, alluring Master. For reasons unknown, he wants to turn his memoirs into erotic BDSM fiction. And ghostwriter Grace Reynolds is just the woman for the job. Night after night, Dalton captivates Grace with sizzling, no-holds-barred retellings of his exploits. In NIGHT THREE, after Dalton tells the story of an aloof administrative assistant with a taste for pain, Grace realizes he is trying to keep her at arms length. Why are boundaries suddenly a problem for the confident Dom? And is he trying to end their business arrangement? Refusing to accept his silence as an answer, Grace goes to confront him at his apartment - with explosive results. **A NOTE TO READERS:** This book is Part Three of an ongoing narrative that will be released as a series of short episodes every Friday, much like your favorite T.V. shows. While each episode has its own story arc that will be concluded by the end, the over-arching romance storyline will continue throughout, reaching its conclusion only in the final episode. Each episode can be enjoyed as a standalone, but it is highly recommended to read the series in order. Each episode is novella-length, approximately 15,000-20,000 words. If you prefer to read only complete novels with no cliffhanger endings, there will most likely be one or more novel-length releases of the compiled content at some point in the future. If you want to be a part of the unfolding story, follow the link to my blog in the back of the book and leave your ideas about what you want to read next. Each week, I will pick some of my favorites for an upcoming installment.
