Energy! Von Andre Niebur It was very worth the late night reading and the tiredness of the next day. I stumbled upon Viviana Parker just by chance and I'm so very happy that I did. Her novel is sexy, hot and full of raw energy! You get sucked into her fantasy immediately and don't want to leave. It's all about hazardous contact voltage! Enjoy! I just adore the cover!

Kurzbeschreibung Viviana Parker is celebrating her debut with this free erotic short featuring Tina, the first of many fiercely independent protagonists who gets blown away by the her inner need to submit. A routine trip to the tire shop goes awry as Tina gets sidetracked by the commanding hands of a dominant attendant. This 2200-word short contains graphic descriptions of forceful sex.
