verdienen die zwei Schwestern sich ein Zubrot mit Seancen, da Emily Geister sehen, mit ihnen sprechen und sie sogar anfassen kann. Das Buch beginnt mit einer Seance, in der ein Ehemann gerufen wird, der aber gar keine Lust hat seinem Drachen von Ehefrau Informationen zu seinen Besitztmern zu geben, geschweige denn wieder zu verschwinden. Um ihn trotzdem wieder in das Wartebereich zu schicken, benutzt Celia, Emilys Schwester ein Amulett und einen Zauberspruch, beides erstanden von einer Bettlerin, die keiner kannte. So fragwürdig, wie die ganze Sache ist, erstaunt es keinen, dass plötzlich ein körperwandelnder Dämon auftaucht und die Stadt unsicher macht. Zu Hause taucht dann Jacob auf, ein erstaunlich massiver Geist, der von den Wächtern der Zwischenwelt zu Emily geschickt wurde, um ihr bei der Jagd nach dem Dämon zu helfen. Eine bezaubernde, spannende, romantische und berzeugende Geistergeschichte. Dabei wird die Stellung der Frau im viktorianischen London, genauso wie die Gesellschaft beschrieben und genutzt, um witzige Situationen zu gestalten. Besonders hat mir gefallen, dass weder die Liebesgeschichte, noch die Dämonenjagd jeweils den anderen Erzählstrang verdrängt. Ich kann dieses Buch nur jedem empfehlen, der mal über anderes, als Vampire und Werwölfe lesen möchte. Da es der erste Band einer Serie ist, bin ich schon gespannt auf die anderen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I enjoyed the book Von C.I.M.I got the kindle version of the book for free and couldn't stop reading! I BOUGHT book 2 and 3 of this trilogy, so I guess that says it all. The book is well written and the story and characters are never boring. It is history, mystery and a love story nicely combined. I have just ordered the first book of an other trilogy from this author and can wait to start reading.....

Kurzbeschreibung "I haven't enjoyed a romantic journey like theirs since reading the Twilight series." reviewer. "Amazing read! I could not put it down." reviewer. "Every once in a while a book that I wouldn't ordinarily be interested in comes along and grabs me by the ear. The Medium did just that." reviewer. "I downloaded this for free on , but it's a book I would certainly have paid for and been really happy to pay for, which I can't say for all the books I've taken a chance on ... Kudos to the author for something new and fresh in a genre that's been saturated ... I'm so happy I discovered C.J. Archer." reviewer. "I cannot believe how much I loved this book! I downloaded this one for free and when I got done (in less than a day), I wanted the other two right away! ... If you are into paranormal suspense then this is the series for you." from reviewer. DESCRIPTION Seventeen year-old spirit medium Emily Chambers has a problem. Actually, she has several. As if seeing dead people isn't a big enough social disadvantage, she also has to contend with an escaped demon and a handsome ghost with a secret past. And then there's the question of her parentage. Being born an entire year after her father's death (yes, a year) and without the pale skin of other respectable English ladies, Emily is as much a mystery as the dead boy assigned to her. Jacob Beaufort's spirit has been unable to crossover since his death. It might have something to do with the fact he was murdered. Or it might not. All he knows is, he has been assigned by the Otherworld's administrators to a girl named Emily. A girl who can see and touch him. A girl who released a shape-shifting demon into the mortal realm. Together they must send the demon back before it wreaks havoc on London. It should be a simple assignment, but they soon learn there's nothing simple when a live girl and a dead boy fall in love.
