Von Mary Higgins Clark : The Melody Lingers On (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Melody Lingers On (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mary Higgins ClarkVon SchrackmaAlle Bcher, die ich von Mary Higgins Clark habe, sind sehr spannend. Wem diese Bcher gefallen, kann ich auch Tess Gerritsen sehr empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good, but did not manage to reach the earlier level of qualityVon Helpful AdviceThe Melody Lingers On is the newest addition in rich collection of works written by Queen of Suspense - Mary Higgins Clark.Though Im her big fan, now

for many years, I have to be honest saying, though this is not a bad work, still she did not manage to reach the level of quality to which we are accustomed or spoiled, better to say. The story that Clark will introduce to the reader tells about the mystery of billionaire Parker Bennett disappearance from his sailboat. Parker left behind lot of angry fund investors that are asking questions, but more importantly, he left his family - son Eric and wife Anne who are trying to find answers what happened to Parker. Because of the money problems, Anne will need to move from nicely mansion to ordinary townhouse something that will bring new character into the story. Lane Harmon, who is a widow in her thirties, will be hired to decorate the new house, but instantly Lane will have problems abstaining from her desire when she will meet Eric. Though many will suspect that Eric and Anne are part of family game that was set up in order to deceive the investors, Eric is persistent in proving his innocence. And when FBI will try to find Parker and confirm the involvement of other figures in this deceiving game, both Lane and her daughter will found themselves in great danger. Clark nicely builds suspense from the beginning, her story is intriguing and all the time reader realizes that this is the work of experienced thriller author. Yet some of her known trademark intensity is missing, and as result her book is not one of her best works. Still, *The Melody Lingers On* is good romantic mystery title full of suspense and if written by some new name on the scene, probably we would have regarded her/him as the new great hope. Therefore, I'm sure that long-lasting Clark fans will enjoy this one as well, while those that are thinking about reading Clarks novel for the first time should be advised to maybe try some other thriller work from the authors rich past.

Kurzbeschreibung A headline-making finance scandal and a breathtaking tale of deception collide in #1 New York Times bestselling author Mary Higgins Clarks finest thriller yet. As the sole assistant to a famous upscale interior designer, Lane Harmon is accustomed to visiting opulent homes. So her latest job at a modest New Jersey townhouse is unusual. Then she learns the home belongs to the wife of disgraced finance magnate Parker Bennett, who vanished two years earlier, along with the five billion dollar hedge fund he managed. The debate over whether Bennett was suicidal or staged his disappearance still continues. Both his clients and the federal government want to trace the money and find him. But Lane is surprisingly moved by Mrs. Bennetts steadfast faith in her husbands innocence. Gradually, Lane is also drawn to the Bennetts son, Mark, who is equally determined to prove his father is not guilty. What she doesnt realize is the closer she gets to the notorious family, the more her life and that of her five-year-old daughter is in jeopardy.

Pressestimmen A summer list would belacking without one from Mary Higgins Clark. New York Post [An] enjoyable novel of romantic suspense Clark keeps readers wondering. Publishers Weekly Clark, whose novels and short stories have entertained her fans for 40 years, proves again that she's a master of plot twists and sympathetic portrayals of strong damsels in serious distress. *The Melody Lingers On* is no exception, and the octogenarian Clark continues to shine.
