Von Pamela Hartshorne : The Memory of Midnight (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Memory of Midnight (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. gripping and grislyVon Susanne BodensteinAnother time-slip novel, the story line in the 16th century being sadistic, but far better than the one in present time. Quite frankly, I found the modern heroine whiney and pathetic, although she's

described as 'strong'. All in all very readable though, at times keeping you hooked

Kurzbeschreibung FANS OF DIANA GABALDON AND KATE MOSSE WILL FIND MUCH TO LOVE IN THIS VIVID STORY OF LOST LOVE AND POWERFUL SECRETS. One hot day in Elizabethan York, young Nell Appleby is trapped in a wooden chest, and a horror of the stifling dark - and of the man who trapped her - dogs her for the rest of her life. Wed to the sadistic Ralph Maskewe, Nell must find joy where she can, until the return of her childhood sweetheart offers a chance of flight to the New World. Will Nell risk all to escape the dark at last? Four and a half centuries later, Tess and her small son Oscar move to York. Eager to start a new life, away from her overbearing and manipulative husband, Martin, Tess tries to put her marriage behind her. But time in York has a way of shifting strangely, and memories of a past that is not her own begin to surface with disturbing effect. Living two lives, torn between two worlds, Tess must unlock the secrets of the past before she can free herself - and Nell - once and for all. *The Memory of Midnight* is the second novel by the author of *Time's Echo*, Pamela Hartshorne. *Pressestimmen* What a terrific novel. I really enjoyed it and became deeply involved in the lives of the two heroines. (Elizabeth Buchan) A rattling good read. (York Press) A very enjoyable read and the story is intriguing from the beginning as you engage with both the characters, leaving you wanting to read more. I find that Pamela's knowledge of 16th Century York fascinating and the historical detail is very interesting and compliments the story perfectly. (Yorkshire Times) *Werbetext* By the author of *Time's Echo*, and for all fans of Barbara Erskine and Kate Mosse, comes *The Memory of Midnight*. It is a vivid and powerful tale of two women, each of whom has her own story of love, longing and terror.
