Merchant's House: A gripping, detective thriller with a heart-stopping twist (Wesley Peterson):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A great contemporary mystery with a historical twist! Von cleggers59@yahoo.com This story satisfied both my tastes for a great whodunit and a historical read. The characters are an interesting and believable mix. The plot is wonderfully woven, and the author keeps you guessing throughout the main story as well as throughout the historical insets, which were a great complement to the main story. I look forward to more "Wesley Peterson Mysteries" from Kate Ellis! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A very impressive and enjoyable debut novel. Von Ein Kunde A most enjoyable murder mystery/historical novel which held the readers attention throughout. The characters were readily brought to life by the author's descriptive text, and the story was cleverly interwoven by the historical flashbacks. A really good read and can be highly recommended to all. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A very impressive and enjoyable debut novel. KurzbeschreibungEven the darkest secret can't stay buried forever...When a child goes missing and the body of a young woman is discovered on a deserted cliff path, DS Wesley Peterson is brought in to lead the investigation. But when his old friend, archaeologist Neil Watson, unearths the skeletons of a strangled woman and a newborn baby in the cellar of an ancient house, DS Wesley quickly realises that there's a dark side to the seemingly picturesque town of Tradmouth. Could there be a link between the two murders? As DS Wesley and his team begin to connect the current case with an unsolved murder centuries ago, it's not long before a complex web of jealousy, obsession and revenge begins to surface. Is history repeating itself? With time running out, the pressure is on for the young detective to solve the case before another body turns up...Darkly compelling and utterly addictive, this edge-of-your-seat mystery is perfect for fans of Angela Marsons, Rachel Abbott and Robert Dugoni. Read what people are saying about Kate Ellis 'A beguiling author who interweaves past and present' - The Times 'Star author. Unputdownable' - Bookseller 'I couldn't stop turning the pages... Something about this book just hooked me!' - Goodreads er, 5 stars 'A really good read... could not put it down. I bought the second book as soon as I finished this one!' - er, 5 stars 'Very well put together and still managed to surprise me at the end - highly recommended.' - In Search of the Classic Mystery Novel 'You'll fall in love with coastal England and find yourself walking the cobbled lanes in your imagination... Do not miss this series!' - er, 5 stars Pressestimmen A beguiling author who interweaves past and present. (THE TIMES) Detective fiction with a historical twist - fans... will love it.
