EnchantingVon Susanne BodensteinAn absolutely chaming book - a girl who may or may not become a stork. Her sister who turns into a mermaid. Her 'brother' from the apple tree. The half-fey aunty. The pet wyvern. The middle had lengths, therefore only 4 stars. But I adored this book0 von 0 Kunden fanden die folgende Rezension hilfreich. Not badVon R. Z.It's a nice story, but not without problems. Little spoiler-alert: The love triangle is dealt with rather clich

and there's a lack of communication, it's basically always just the protagonist. It took too long for the story to get started, but it's very nicely written, even though at the beginning the storytelling is a little much and forced. I wish Maren had retained more of a personality and the escape at the end is really too easy and not satisfactory. Also I felt the use of the term "gypsie" was problematic, especially their portrayal as deceiving, cruel villains. Still, the world created is interesting and well done, so all in all it's a nice read if you're into fantasy and look for something rather light. 1 von 1 Kunden fanden die folgende Rezension hilfreich. sweet and romantic Von M. Palukova I liked the book very much, though somehow I wasn't so sure at the beginning. it starts quite monotonously, but it is worth to read further! Then the dynamics changes and the action becomes very eventful and even dramatic!

One day, Clara discovers iridescent scales just beneath her sisters skin: Maren is becoming a mermaid and must be taken to the sea or she will die. So Clara, ONeill, and the mermaid-girl set out for the shore. But the trio encounters trouble around every bend. Ensnared by an evil troupe of traveling performers, Clara and ONeill must find a way to save themselves and the ever-weakening Maren. And always in the back of her mind, Clara wonders, if my sister is a mermaid, then what am I?
