A strange grandma offers her three granddaughters one million dollars, if one marries a legal und not biological cousin. There are two cousins and to the date with Julie comes Ryan and not the aimed cousin. Julie goes to the date, because she had lost the game between her sisters. Ryan and Julie end in Julies bed and Julie pregnant. The story is in no point boring and offers fun.The Unexpected MillionaireBook Text: "Millionaire Kanes first mistake was carrying an injured Willow inside his off-limits home. His second mistake was surrendering to passion after warning Willow to run away. Because a woman like her deserved better than a one-night stand. She believed in soul mates. He needed no one. And not even Willow was going to change him!"My Opinion : This is, how he would like it. Willow changes him from zero to hundred!The Ultimate MillionairePlanning the wedding for Ryan and Julie Madison Nelson and Todd Aston and Madison Nelson have to work together, they came much more nearer to each other. Todd trusts no woman because all he learned before, was woman are going for him only because of money. They fall in love for each other. But for real nature is no clock and Madison is not pregnant. Todd realizes his failure und proposes on Ryan's an Julie's wedding day.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Story, Great Writing? Must be a Susan Mallery novel!Von XeniaI got the book on a sunny Saturday morning and was through by Sunday afternoon! It really is a great book. Although I'm not a native speaker, I understood everything just fine and couldn't stop reading. All three short stories are awesome and the reader just has to feel and suffer with the protagonists. It's my 2nd and definitely not my last Susan Mallery book. I wish it would be adapted as a screenplay soon. I'd love to see the story as a movie!! Go ahead people, buy it and fall in love with the autor and her characters =)
