Von Natalie Patrick : The Millionaire's Proposition (Harlequin Romance (Large Print)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Millionaire's Proposition (Harlequin Romance (Large Print)):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun!Von Book LoverIronically, the reviewer below who said this book was like the movie A TOUCH OF MINK actually got

me to set aside the rest of my TBR pile and read this book! And I'm really glad I did - I found THE MILLIONAIRE'S PROPOSITION to be wonderfully reminiscent of the golden days of movies, although it actually isn't just like the movie cited (one of my favorites). It does have all the delicious optimistic flavor and fun of a Doris Day movie, which I appreciated. Natalie Patrick has a knack for witty banter between the hero and heroine while also keeping the characters sensitive and realistic. I recommend this book highly!

Von Martha J Tozier Perhaps the author has never seen the Carey Grant/Doris Day movie "A Touch of Mink" (circa early 1960's), however, The Millionaire's Proposition mimics that story line almost entirely. I realize certain scenarios are often borrowed in romance novels, but, usually not the entire story! Millionaire does not want wife, does want fling. Nice small-town girl wants marriage, does not want affair. Eventually small-town sweet conquers big-city cynicism. I love the Grant/Day story, I did not love this.

Kurzbeschreibung WILL YOU When down-on-her-luck Becky Taylor was pursued by billionaire Clark Winstead, she thought her prince had finally arrived. But Becky blinked at Clark's offer. Clark wanted a mistress and a child but not a wife! Well, Becky refused to be seduced into motherhood. That is, unless Clark wooed her the old-fashioned way. HAVE MY BABY? Clark believed his proposal, his proposition was the best solution. It skipped the marriage and jumped to the essentials: joint custody. But while Becky dreamed of white lace, Clark vowed never to walk down the aisle. Surely a powerful, sophisticated businessman couldn't be roped into commitment by a sweet virgin or could he?
