Spannend und sehr lesenswert Von Dargo Sehr interessant und spannend geschrieben im typischen Stil von MC Beaton, gepaart mit sehr unterhaltsamen Dialogen. Kommt Agatha Christie Stil sehr nahe. Kann ich nur empfehlen.

Kurzbeschreibung It was the fashion during Regency to hire a house for the Season in Mayfair the heart of London's fashionable West End at a disproportionately high rent for sometimes very inferior accommodation. So why is it that Number 67 Clarges Street, a town house complete with staff, remains vacant season after season? The home of numerous families in the past to whom ill luck even death has befallen, Number 67 has been damned as unlucky. In the Miser of Mayfair, salvation seems to come at last in the form of a Mr. Roderick Sinclair, who has confirmed his intentions to let the house for the Season. The staff are overjoyed until they find that Mr. Sinclair is a terrible miser and is planning no parties. Furthermore, his ward, Fiona, seems not to have a bright idea in her head. Only Rainbird, the clever and elegant butler of Number 67, plots with Fiona to bewitch, bedazzle, and confuse the earl into seeing things their way.

Pressestimmen Nicely atmospheric, most notable for its gentle humour and adventurous spirit. (Publishers Weekly)
