**Von Sigrid Undset : The Mistress of Husaby: Kristin Lavransdatter, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mistress of Husaby: Kristin Lavransdatter, Vol. 2:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book will stay with me the rest of my life.Von Ein KundePlease don't read this book without having read The Bridal Wreath first, you must have the foundation laid before you can appreciate Kristin and her family and her life. This

book tugged at me so emotionally that to this day I still feel her feelings, I still get upset and her and Erlend. It is well written and not only does it explain life as it may have been at that time, it still has a ring of now, even though it was written in 1928. But above-all it captures and sends you to a world you will want to be a part of forever. DO NOT MISS THESE BOOKS!0 von 0 Kunden fanden die folgende Rezension hilfreich. An enlightening look at life in 14th century Norway...Von Ein KundeThough the political details and language slowed me down at times, I found it fascinating to learn what life was like for a woman in Norway in the 1300's. The social, economic, and political aspects of the time are interestingly and thoroughly presented. I would suggest that not too many years go by between reading the books in the trilogy because you will have a greater appreciation for what is going on if you remember details from the previous books.

KurzbeschreibungThe acknowledged masterpiece of the Nobel Prize-winning Norwegian novelist Sigrid Undset, Kristin Lavransdatter has never been out of print in this country since its first publication in 1927. Its story of a woman's life in fourteenth-century Norway has kept its hold on generations of readers, and the heroine, Kristinbeautiful, strong-willed, and passionatestands with the world's great literary figures. Volume 11, The Mistress of Husaby, tells of Kristin's troubled and eventful married life on the great estate of Husaby, to which her husband has taken her.From the Trade Paperback edition.PressestimmenSigrid Undset's trilogy embodies more of life, seen understanding and seriouslythan any novel since Dostoevsky's Brothers Karamazov. CommonwealNo other novelist has bodied forth the medieval world with such richness and fullness.
