Von Brian S. Pratt : The Mists of Sorrow (The Morcyth Saga Book 7) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mists of Sorrow (The Morcyth Saga Book 7) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Five star?? Give it a six or seven!!Von Caleb HoffmanBattle's over, the world is fine...or is it?They learn that Jiron's friend

Tinok is in trouble. While they search for him, they learn that something momentous is developing in the Empire. More to the point, the priesthood of Dmon-Li is up to no good. Most of the people from the earlier books makes an appearance here. Ol' One Eye, Perrilin, even Igor shows up. Man what a book. And I have to give the author credit for not dragging out the ending. When I came to the last chapter, I felt for sure that there had to be another hundred pages just to wrap things up. But the author ended the series on a high note, answered most of the unanswered questions and left you with the feeling that the series was over. Don't you hate the never ending series?? I do. Here's some of my questions that I had. Don't worry, there won't be any spoilers. 1. How did Scar and Potbelly get out of the Empire? 2. What happened to Tinok? Spent the whole book looking for him but he's not mentioned in the last chapter?? yes he was rescued alive, but that's all we know. 3. Cassie. Would have liked to know about that. 4. Were any of Scar and Potbelly's stories true?? What I'd like to see in the future: 1. A series of books detailing Scar and Potbelly's adventures. I'm sure they're a bunch of lies, but would think they would be interesting. 2. The fate of the Empire. At the end of this book there's a serious power void that could be filled by someone maybe?? A great series that I'm surprised hasn't been picked up by a traditional publisher. Man, you guys are missing a sure bet here. With a little editing, it could rival Jordan's (especially the last books of WOT) 1 von 1 Kunden fanden die folgende Rezension hilfreich. A great Adventure Von drizzt A brilliant story about a boy getting caught in a phantastic adventure, excellent!

Kurzbeschreibung The quest to find a friend whose life hangs by a thread, leads James and Jiron back into the heart of the Empire. The impetus behind the hunt is not as it would seem. The life of their friend is but a lure used to draw James to the appointed place at the appointed time. James is ultimately maneuvered to face the power behind the Empire, a dark being whose orchestration of peoples and powers has brought the world to the brink of annihilation. He discovers that he, too, has been manipulated in furthering the dark plans of this sinister being. Can James defeat a being that has walked this world for over a millennia? Or will he face defeat and the destruction of all that he has come to hold dear.
