Von Ken Follett : The Modigliani Scandal (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Modigliani Scandal (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Early Follett, multiple twists in the mystery, fast pacedVon Ein KundeReportedly one of the first books done by Follett, theaction is not as intense as later works. (Lie Down WithLions). Story concept is easy to follow but interest is maintained by the introduction of several crosses and double-crosses. Good description of story locations adds to the

enjoyment.7 von 9 Kunden fanden die folgende Rezension hilfreich. A fast read - but not really worth searching out a copy
Von Ein KundeI read this book based on 's Book Matcher recommendations. It was ok, and I read it fairly quickly (less than a week), but it is definitely not as good as his more recent works. I wouldn't go searching for a copy of this book (borrow it from the library, if you feel that you must read it).3 von 4 Kunden fanden die folgende Rezension hilfreich. boring at first but enjoyable at last
Von Ein KundeI read other books by Follett and I must recognize that this is not his best book. However I enjoyed the last 50 pages and especially the end. I didn't appreciate the description of Italy, the country I live in. Italians are not so stupid as Follett describes!!!

KurzbeschreibungModigliani. Unarguably one of the greatest artists who ever lived. Modigliani's women. Those elongated, haunting figures, as eternally provocative as the Mona Lisa. And Modigliani's missing masterpiece. A priceless lost treasure - or a chillingly dangerous game? In Ken Follett's gripping thriller, *The Modigliani Scandal*, up and coming artist Peter Usher has still to exhibit anywhere, still to make even the most modest mark on the London art scene. But as rumour turns to reality, Usher finds himself caught up in a race to uncover the shadowy figures behind a breathtaking scam. Will art genius ever be rewarded? Will the brush prove more deadly than the gun . . .
?PressestimmenPraise for the novels of Ken Follett"Great entertainment." *The Baltimore Sun*"Gripping." *The New York Times*"Follett really knows how to tell a story." *The Atlanta Journal-Constitution*"Follett is a master of crafty plot and incredible detail." *Time*"The man tells a story so well. . . . Follett can make things glow with some beautifully written episodes." *St. Louis Post-Dispatch*"Follett is a master." *The Washington Post*"Few authors deliver as consistently as Follett." *Pittsburgh Press*"A major talent." *Booklist*WerbetextA classic crime tale from the worldwide bestselling author - a special edition with a new introduction by the author.
