KurzbeschreibungThe Moon and Sixpence is a novel by W Somerset Maugham, told in episodic form by a first-person narrator, in a series of glimpses into the mind and soul of the central character Charles Strickland, a middle-aged eng stockbroker, who abandons his wife and children abruptly to pursue his desire to become an artist. The story is said to

be loosely based on the life of the painter Paul Gauguin. (Excerpt from Wikipedia) Pressestimmen "[A] witty, compelling roman clef... that mock[s] the way the world makes saints of the sinners who are often its best artists." -The Boston Globe "It is very difficult for a writer of my generation, if he is honest, to pretend indifference to the work of Somerset Maugham.... He was always so entirely there." -Gore Vidal Kurzbeschreibung The Moon and Sixpence is a novel by W Somerset Maugham, told in episodic form by a first-person narrator, in a series of glimpses into the mind and soul of the central character Charles Strickland, a middle-aged English stockbroker, who abandons his wife and children abruptly to pursue his desire to become an artist.
