KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Tolles BuchVon SheilaDie Geschichte hat mich richtig mitgerissen. Es ist spannend und gruslig und ich konnte gar nicht mehr aufhren, weil ich unbedingt wissen wollte, wie es ausgeht.Die Geschichte endet ziemlich offen, da es eine Trilogie ist. Zum Glck muss ich nur bis Ende Mrz 2014 warten :-))Es hat eine Weile gedauert, bis ich mit Tallitha und

ihrem Bruder Tyaas warm geworden bin. Jetzt bin ich aber umso gespannter, was es noch für Geheimnisse um die Morrow-Familie zu entdecken gibt.

ber den Autor und weitere Mitwirkende Susan McNally's love of books and strange make-believe worlds began in her childhood in the North of England. Her parents were great storytellers, recounting ghost stories and fairy tales that ignited her lifelong love of the fantasy and mystery genres. Susan wanted to recreate this world, to take readers on a magical adventure. And so began the idea for The Morrow Secrets, a dark spellbinding trilogy of intrigue, magic and suspense. Susan lives with her husband in North London.
