Von Scott Mariani : The Mozart Conspiracy (Ben Hope, Book 2) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Mozart Conspiracy (Ben Hope, Book 2) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Neuer Held - Teil 2 Von Grnspecht Der 2. Band der Ben Hope-Reihe ist spannend, enthält aber (typisch für Ben) sehr brutale Kampfszenen. Die Theorie über Mozarts Tod mag nicht zu beweisen sein, ist aber vorstellbar. Flott geschrieben, viel

"human interest", sehr spannend.0 von 0 Kunden fanden die folgende Rezension hilfreich. Even better than the first novel! Von Peter Werner I was looking forward to the sequel because I really liked the first novel. And I was not disappointed. The book is even better than the first. It is more mature (I hope the author does not take offence, it really sounds arrogant!) The character of Ben Hope has developed. He is still a broken man, and has to remain what he is. But his presentation is much more refined and likeable. Leigh is a remarkably created character and Adler is a most dislikeable villain. I enjoyed the novel very much, and I have downloaded the next ones. I am sure they are excellent too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Round two Von Jamie V. In my review of the first book in this series, I went on about the pluses and minuses of Mr. Mariani's work. Same here, but without any real further development in his approach to story telling. Maybe one should jump directly to his latest work and see if there is further development. The ideas are very good, the development middle to weak.

Kurzbeschreibung AN ELECTRIFYING AND UTTERLY GRIPPING MUST READ FROM THE MASTER BESTSELLER FORMER SAS OPERATIVE BEN HOPE IS RUNNING FOR HIS LIFE. Enlisted by the beautiful Leigh Llewellyn - world famous opera star and Ben's first love - to investigate her brother's mysterious death, Ben finds himself caught up in a centuries-old puzzle. The official line states that Oliver died whilst investigating Mozart's death, but the facts don't add up. Oliver's research reveals that Mozart, a notable freemason, may have been killed by a shadowy and powerful splinter group of the cult. The only clues lie in an ancient letter, believed to have been written by Mozart himself. When Leigh and Ben receive video evidence of a ritual sacrifice being performed by hooded men, they realise that the sect is still in existence today and will stop at nothing to remain a secret. From the dreaming spires of Oxford to Venice's labyrinthine canals, the majestic architecture of Vienna and Slovenia's snowy mountains, Ben and Leigh must forget the past and race across Europe to uncover the truth behind THE MOZART CONSPIRACY. An electrifying and utterly gripping must read for fans of Dan Brown, Sam Bourne and Ludlum's Bourne series. BEN HOPE is one of the most celebrated action adventure heroes in British fiction and Scott Mariani is the author of numerous bestsellers. Join the ever-growing legion of readers who get breathless with anticipation when the countdown to the new Ben Hope thriller begins. **Pressestimmen** "The Mozart Conspiracy hits thrilling, suspenseful notes . . . it's a rollickingly good way to pass some time in an easy chair." USA Today "Mariani channels Dan Brown on steroids in this exciting (and violent) historical puzzle thriller. Racing along at breakneck speed and promising more in a series, this action read will excite fans of Brown, James Rollins, and Robert Ludlum. Booklist "A fast, exciting read in The Da Vinci Code tradition. Publishers Weekly The Mozart Conspiracy is music to the minds of thriller fans. Now readers on both sides of the Atlantic can enjoy Scott Mariani's gift for international menace with a Continental flair. Thomas Greanias, author of The Promised War James Bond meets Jason Bourne Meets The Da Vinci Code, in a tale as driven as a dark Mozart symphony but Scott Mariani writes with a steely lightness that is all his own. Jennifer Lee Carrell, New York Times bestselling author of Interred With Their Bones The Mozart Conspiracy is an action-packed thriller that introduces a fine, new hero, retired British commando Benedict Hope, a former soldier who's tormented by regret. In a wild chase across Europe, Hope uses his violent talents to track down a nefarious cabal that secretly controls the destinies of nations. The novel is fast-paced and fun, and Hope is a hero you can't help but root for. Mark Alpert, author of Final Theory "Scott Mariani is an author to watch." M.J. Rose, international bestselling author of The Reincarnationist. **Pressestimmen** "The Mozart Conspiracy hits thrilling, suspenseful notes . . . it's a rollickingly good way to pass some time in an easy chair."
