great mini book to the series Von Kate Corner This time Charlotte and Byron are in Alaska. Charlotte is a stringer trying to interview a musher for a newspaper. It's a game of cat and mouse. I'm glad to say that throughout the series we get a better insight to the characters and the stories that they have to spice up their sex life. It's worth a read.

Kurzbeschreibung Charlotte loves her part time job as stringer but yearns to be a full time journalist. When her boss tells her the promotion hangs on interviewing the famous musher Byron Keenainak, Charlotte is determined to deliver the story. There's only one problem: Byron is a notorious recluse. Undaunted, Charlotte resorts to every trick in the book to trap and interview her handsome quarry. Charlotte and Byron are an English couple who decide to spice up their sex life by playing games. One month Charlotte is the naughty maid who is seduced by Byron, the wicked master of the house, and next she is the maiden in distress to Byron's knight-errant. These are short, fun erotica stories, perfect for bedtime reading.
