Von Patrick Rothfuss : The Name of the Wind (The Kingkiller Chronicle Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Name of the Wind (The Kingkiller Chronicle Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.
Beautifully told, fast-paced story with brilliant charactersVon KundeThis will always be one of my favourite books.

Despite being a very long book the story is fast-paced and interesting, the characters have depth and are believable, the magic system and the world are unique and, though complex, easy to understand. I love this book. I love the characters. I just want them all to lead long happy lives, but I know that's probably not going to happen.0 von 0 Kunden fanden die folgende Rezension hilfreich. I wish there were more books Von Vess The first book for a long time that got me addicted. I read lots of books, mostly fantasy/paranormal/thriller but this book really fascinated me. The story and the characters are very complex. There is so much mystery and suspense. The story unveils slowly, but everything that happens is super interesting and the book does not get boring. I wouldn't compare it to Harry Potter even though the learning of magic in a university has a central point. However the book is definitely not childish and the story is much darker. Most of all I keep wondering what exactly happened to the man character in the end?0 von 0 Kunden fanden die folgende Rezension hilfreich. Fngt sehr gut an Von Hotzenplotz Die Geschichte fngt sehr interessant an und weckt hohe Erwartungen. Allerdings verweilt die Geschichte dann sehr lange an der Universitt und verliert dadurch den Spannungsbogen. Ich hatte mir leider dann schon den zweiten Band heruntergeladen, in der Hoffnung, dass die Geschichte sich dann weiter entwickeln wrde. Siehe Rezension zum zweiten Band

Kurzbeschreibung Discover #1 New York Times bestselling Patrick Rothfuss epic fantasy series, The Kingkiller Chronicle. I just love the world of Patrick Rothfuss. Lin-Manuel Miranda Hes bloody good, this Rothfuss guy. George R. R. Martin Rothfuss has real talent. Terry Brooks OVER 1 MILLION COPIES SOLD! DAY ONE: THE NAME OF THE WIND My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequalled in fantasy literature the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one mans search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend. Praise for The Kingkiller Chronicle: The best epic fantasy I read last year.... Hes bloody good, this Rothfuss guy. George R. R. Martin, New York Times bestselling author of A Song of Ice and Fire Rothfuss has real talent, and his tale of Kvothe is deep and intricate and wondrous. Terry Brooks, New York Times bestselling author of Shannara "It is a rare and great pleasure to find a fantasist writing... with true music in the words." Ursula K. Le Guin, award-winning author of Earthsea "The characters are real and the magic is true. Robin Hobb, New York Times bestselling author of Assassins Apprentice "Masterful.... There is a beauty to Pat's writing that defies description." Brandon Sanderson, New York Times bestselling author of Mistborn. de.com's Best of the Year... So Far Pick for 2007: Harry Potter fans craving a new mind-blowing series should look no further than The Name of the Wind--the first book in a trilogy about an orphan boy who becomes a legend. Full of music, magic, love, and loss, Patrick Rothfuss's vivid and engaging debut fantasy knocked our socks off. --Daphne Durham 10 Second Interview: A Few Words with Patrick Rothfuss Q: Were you always a fan of fantasy novels? A: Always. My first non-picture books were the Narnia Chronicles. After that my mom gave me The Hobbit and Dragonriders. I grew up reading about every fantasy and sci-fi book I could find. I used to go to the local bookstore and look at the paperbacks on the shelf. I read non-fantasy stuff too, of course. But fantasy is where my heart lies. Wait... Should that be "where my heart lays?" I always screw that up. Q: Who are some of your favorite authors? Favorite books? A: Hmm... How about I post that up as a list? Q: What are you reading now? A: Right now I'm reading Capacity, by Tony Balantyne. He was nominated for the Philip K Dick award this last year. I heard him read a piece of the first novel, Recursion, out at Norwescon. I picked it up and got pulled right in. Capacity is the second book in the series. Good writing and cool ideas. Everything I've like best. Q: How did Kvothe's story come to you? Did you always plan on a trilogy? A: This story started with Kvothe's character. I knew it was going to be about him from the very beginning. In some ways it's the simplest story possible: it's the story of a man's life. It's the myth of the Hero seen from backstage. It's about the exploration and revelation of a world, but it's also about Kvothe's desire to uncover the truth hidden underneath the stories in his world. The story is a lot of things, I guess. As you can tell, I'm not very good at describing it. I always tell people, "If I could sum it up in 50 words, I wouldn't have needed to write a whole novel about it." I didn't plan it as a trilogy though. I just wrote it and it got to be so long that it had to be broken up into pieces. There were three natural breaking points in the story.... Hence the Trilogy. Q: What is next for our hero? A: Hmm.... I don't really believe in spoilers. But I think it's safe to say that Kvothe grows up a little in the second book. He learns more about magic. He learns how to fight, gets tangled up in some court politics, and starts to figure unravel some of the mysteries of romance and relationships, which is really just magic of a different kind, in a way. Patrick Rothfuss's Books You Should Read The Last Unicorn Neverwhere Declare Beatrice's Goat Blankets See more recommendations (with comments) from Patrick Rothfuss .com.com's Best of the Year...
