KurzbeschreibungThe small isle of Islandmore was once an avenue for smugglers and a burial place for unbaptized
babies. When a cold case leads Inspector Devlin to the desolate island in an attempt to locate the bodies of a group of
people who have been presumed dead for over thirty years, he uncovers a horrifying secret: the body of a baby who
appears to have been murdered. Every fiber of the inspector's being tells him he should find justice for this child, but
he is prohibited from investigating further. Devlin is torn. He has no desire to dredge up painful events of the past, but
neither can he let a murderer go unpunished. Devlin must follow his conscience even when it puts those closest to him
at risk. Pressestimmen "hot, hot, hot." --"Library Journal" Werbetext The next book in the Inspector Devlin series
