Von Jane Costello : The Nearly-Weds (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nearly-Weds (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bitte sag: "Schlu jetzt!" !!!Von Leseratte73Die Story klingt vielversprechend. Sie wird nach 7jhriger Beziehung von dem Mann am Altar sitzen gelassen, den sie ber alles liebt. Um Abstand zu gewinnen und zu vergessen, nimmt sie einen Job als Nanny in den USA an.Doch der vermeidliche Traumjob entpuppt sich schell als Albtraum. Ihre Boss Ryan ist

unfhlich und unausstehlich, ein Workaholic, mit endlosen Affren, einem Hang zu viel zu trinken und meistens nicht zu Hause. Schnell stellt sich heraus, dass sie nicht nur die Rolle des Kindermdchens bernehmen soll, sondern auch fr alle anderen Aufgaben des Haushalts zustndig ist. Und hier liegt fr mich der Hase im Pfeffer begraben, wie man so schn sagt. Anstatt ihrem Boss die Stirn zu bieten, lsst sie sich von ihm zum Haussklaven machen und lsst sich einfach alles gefallen, was er ihr auftischt. Das war fr mich einfach so befremdlich, dass es unmglich war sich in Zoey, die Heldin der Geschichte hineinzusetzen. Ihre Figur ist so stark als "pushover" konzipiert, dass sie fr mich total fad und farblos daherkam und das ist unglaublich schade, denn die Story hatte echt groes Potential auf die Lieblingsbuch-Liste zu kommen, aber ihre absolute Unfhigkeit fr sich selbst einzustehen und sprichwrtlich 'mit der Faust auf den Tisch zu schlagen' und zu sagen "Genug", hat mir das Lesen einfach verleitet. Zum Ende hin hab ich nur noch quer gelesen, weil ich's nicht mehr ertragen konnte, wie sich diese Frau herrumschupsen lie. Titelheldinen mssen fr mich keine Supermodels sein, sie drfen imperfekt, schchtern und tollpatschig sein, aber eins mssen sie fr mich auf jeden Fall haben, und das ist Rckrad. Warum also trotzdem 3 Sterne? Die beiden Kinder sind bezaubernd, ber das Tattoo muss ich immer noch schmunzel und alles in allem ist die Geschichte, handwerklich gesehen, gut geschrieben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun but predictable Von Suzanne This book was a fun read though fairly predictable unless you've never read any chicklit before. Some points were overly stressed and had me thinking: yes, yes, I KNOW (she's on the rebound, for instance). But other than that, enjoyable all the same. 0 von 3 Kunden fanden die folgende Rezension hilfreich. Empfehlenswert Von Nico P. Bin sehr zufrieden damit, kann es nur weiterempfehlen! Kam zwar relativ langsam an, doch das warten hat sich definitiv gelohnt.

Kurzbeschreibung THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR What's the worst thing that could happen to a blushing bride? To somebody warm, loving, and fun - like Zoe Moore? When she finds herself jilted at the altar by her fianc Jason, Zoe knows she doesn't deserve this heartache and humiliation. Unable to face the pitying faces of her friends and family, Zoe takes drastic action: she flees to America. Specifically, to Boston, where she takes up a post as nanny to five-year-old Ruby Miller and her little brother Samuel. Ruby and Samuel have lost their mother in an accident. They may as well have lost their father, too, for Ryan Miller is so wrapped-up in his grief that he barely notices his two attention-starved children. As Zoe sets about tidying up Ruby and Sam's home, and injecting some fun back into their lives, she finds herself gaining their trust and love. At the same time, Zoe grows more and more frustrated with Ryan's bullying behaviour, and his shameful neglect. Whatever happened to the loving man she keeps hearing about from his neighbours? Zoe can't find any sign of him. The only thing saving Zoe from despair is the small, close-knit group of British nannies who quickly befriend her. There's boisterous Trudie, man-mad but hiding a painful secret; Sloanie traveller Amber, who sports a Buddhist tattoo that, unbeknownst to her, reads 'Batteries Not Included'. And chilly, tight-lipped Felicity, whose cut-glass voice gives little away. But will these new friends be able to save Zoe, when she discovers that the past isn't all that easy to escape, no matter how far you go? Full of warmth, fun, friendship and laughter, The Nearly-Weds is a novel to devour!
