of Teens Read Too Von TeensReadToo Gold Star Award Winner! Sophie and Josh return home, unsure what to tell their Aunt about their adventures of the past few days. They certainly can't tell her the truth. As they walk up the road, they notice a car outside the house. Curious and hesitant, they approach the car. A woman exits and they believe it's someone they know. However, almost too late, they realize it's an identical twin. Sophie ends up kidnapped and Josh left scrambling behind. In order to save his sister, he travels back to the start of their adventure, the Flamels. Once he confides in them, they quickly follow after Sophie. The Flamels don't have much time and they have already decided to fight before things spiral too far out of control, even though it might be the last thing they accomplish. They find Sophie and those watching over her. Together, they come up with a plan of attack. Before they can accomplish their goals, they request someone to awake the fire powers in Josh. He readily agrees to the plan, already feeling inferior to his twin. However, the Flamels didn't consider Dr. Dee in their planning. While his masters aren't pleased with his failures, Dr. Dee always has a plan. This plan includes taking over the world, but he needs Josh in order to set his plan in motion. Will Josh cross over to the other side and leave his twin and the Flamels behind? The fourth book in this wonderful series won't disappoint fans with its magic, history, mythology, clever characters, evil plots, and strong sibling bonds. **THE SECRETS OF THE IMMORTAL NICHOLAS FLAMEL** is addicting and will leave readers on the edge of their seats. Von Thomas Kuck I encountered this series by accident when I found the first two books in our local library. I really liked the story although it was a little too obvious at some points how the story would go on. Nevertheless it was very interesting and sometimes surprising. What I really loved most about these books were the detailed information about the characters, legends, places and historical facts. During reading the "Secrets of the Immortal Nicholas Flamel" I often looked up some additional facts about all the persons and places in my dictionary. Just because I was too curious. ;o) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schlechte Materialqualitt Von Tine1312 Die Seiten sind schlecht geschnitten und haben tlw. Zacken. Die Bindung ist ebenfalls sehr schlecht und ergibt kein glatte Kante. Ich habe das Buch erstmal wieder zurck geschickt an . Aber die 2. Kopie sieht genauso aus. Liegt wohl am Verlag. Naja, dafr kostet der gebundene Band auch nicht soviel. - Inhaltlich ist das Buch echt super!
