An inspiring mysteryVon Ein KundeThe O'Malley family is a tight group bound by love for one another. They met as orphans and formed a unity so strong each one changed their surname to O'Malley. Kate was the one who was at the

orphanage the longest, having been taken out of a bad environment when she was nine. She serves as a loving, surrogate mother to her brood even as she works as a hostage negotiator for the Chicago police force. Kate does not readily trust people so her life turns complex when she meets FBI agent Dave Richman during a hostage situation and finds herself attracted to him. He reciprocates her feelings even though both know there is no hope for a relationship to form. He strongly believes in God while she rejects the thought of an omnipotent being. When someone blows up a plane killing two hundred people, the perpetrator links Kate to the vicious crime. Kate and Dave work closely together trying to uncover a nasty felon even as their attraction blossoms into love. Dee Henderson has written a triumphant inspirational fiction tale that has wider appeal than just to genre fans that will cherish this superb novel. The O'Malley clan is a dynamic family who to the elation of readers will each have their own story told. Kate's exciting tale is a woman's search for faith and love that is so beautifully narrated that the audience will place this on the O'Malley keeper shelf. Can Faith Change the human heart? Find Out in The Negotiator Von Ein Kunde Kate O'Malley faces the insanities of the world on a daily bases. As Hostage Negotiator Kate is legendary, her courage, wit and talent in her field has brought her to the top.... but nothing has been able to cure age old wounds. Dave Richman, an FBI special agent has spent his life protecting people, his courage, wit...and belief in God has led him to the top. When these two meet it is under a dangerous and stressful situation, but nothing can disguise the instant attraction they feel for each other. But can Kate open her heart enough to believe? And can Dave love a woman who has shut God out of her life? Soon secrets and old time enemies threaten both parties and both Kate and Dave will learn that God certainly does work in mysterious ways. The Negotiator is a wonderful read. Dee Henderson spins a beautiful love story and a suspenseful thriller. Only moderately predictable, Ms. Henderson sometimes relies on the cliché to pull her out of a rough spot. Such predictability can be overlooked in the wake of strong characters and a moving story line. The "inspirational" aspect is just that, inspirational, never "preachy" or high handed, God is softly intertwined with the characters and emotional plots and subplots. Satisfying to the end The Negotiator will have a place on my library shelf.
