**Von George Gissing : The Nether World (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Nether World (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 2 Kunden fanden die folgende Rezension hilfreich. Typical Depressing times Von J. Dohlman I read this book for a class. I found it interesting, but it is certainly not one I would pick for a little weekend reading. It is very heavy, and depressing -- which is very typical of the British Victorian Era.

It took a while to get into, but once into it I did enjoy it. (as much as possible).
