**Von Coleen Singer : The New Foreman (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Foreman (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderschne GeschichteVon Claudia LeskerWieder eine wunderschne Geschichte mit Spanking und viel Liebe. Wer das mag ist hier genau richtig. Ich warte bereits auf die nchste

Kurzbeschreibung "Try any of that high-handed crap with me in front of the men, and you'll get what you deserve right back atcha!" Carly had no trouble letting her parents' foreman know exactly what she thought of him. Carly was away at college when her parents hired Drew, and he'd shown himself to be an excellent foreman, taking over much of the day-to-day burden of running the ranch. But the fact was the Carly didn't care for the man, with his authoritative ways and the fact that he tended to want to give Carly orders, just like everyone else on the ranch. They managed to forge an uneasy truce, but when Carly's parents went on a much-needed vacation, matters quickly came to a head. Drew was itching to lay down the law to his employer's brat of a daughter from the first time she mouthed off to him. And he knew he had an unlikely ally in Carly's mother, who'd been taking Drew's part from day one. When his employers went on a vacation, leaving him in charge of the ranch and in charge of Carly (though she didn't know it yet,) Drew knew his day was at a hand. She was going to get what she deserved all right, and he knew it was only a matter of time before the ranch's "little lady" had something applied rather firmly to the seat of her britches. Publisher's Note: "The New Foreman" is a sexy romance that features the spanking of adult women in a domestic discipline context. It was initially released as "Carly's New Foreman" by Jaquie Williams
