KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. As good as the first one!Von M. HeinellIf you like colorful science fiction this is just the right mix of deep space adventure, hard SF, exotic locations and some altogether fresh ideas to old themes - greatly enjoyed it!Make sure you read the

first part, too - Dan Simmons' "Muse of Fire" alone is worth the buy...

KurzbeschreibungAn exceedingly fine set of stories written specifically for this collection by some of the best sf authors writing today. *Library Journal* (starred review) Following the success of their Locus Award-winning anthology *The New Space Opera*, editors Gardner Dozois and Jonathan Strahan now up the ante with *The New Space Opera 2*, new stories from some of the biggest names in science fictions biggest genre.
