Von Elise Marion : The New Year's Masquerade (Masquerade Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Year's Masquerade (Masquerade Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved itVon Fiona HuntI was given a copy of this book in exchange for a review.Well, I can truly say that even though this is book 2 in the Masquerade series, it can be read alone.Well 2 friends who take it to the next level. A lovely story of what love and friendship can do between 2 friends. How determination will usually win in the end. I loved Orlando's way he tries to go about his everyday life and the way Sasha keeps going after him. A lovely love story between 2

friends.

Kurzbeschreibung Orlando Sanchez is a player. No strings attached is the motto of his life, and even when his best friend and wingman gets married, he doesn't intend for that to change. Women are trouble and the only one he cares to spend time with is Sasha, who quickly becomes his friend and confidant. But a rash decision and a night of mindless passion makes their relationship complicated, causing Orlando to face his fears of commitment head on and to consider all he's been missing out on in life. Sasha is in love with Orlando and has been since they met. She knows she's not his type. The bad boy would surely break her heart, yet she can't help but want more than friendship. After Orlando calls their night together a mistake, Sasha is determined to show him that it wasn't. At a New Years Masquerade party, Sasha throws her insecurities and inhibitions aside in one last attempt to show Orlando that they belong together. When the clock strikes midnight, Orlando will face a decision. Will his kiss ring in the New Year with the promise of a new future? Or will Orlando run, using his bachelor lifestyle and player ways as a shield against everything he thought he never wanted?
