Von J.R. Rain, Aiden James : The Nick Caine Adventures: First Three Books (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nick Caine Adventures: First Three Books (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein bisschen kurzVon -Kundesind die einzelnen Bcher, wobei insbesondere der erste Teil zu kurz ist. Die Legenden um den Tempel werden hierbei nur angerissen, dabei wrde ich es begren, wenn diese besser dargestellt wrden. Auch die Kreaturen werden nur kurz beschrieben, um dann auch schon wieder weg zu sein. Fr Temple of the Jaguar kann ich daher nur 3 von 5 Sternen geben.Im zweiten Buch hat sich das aber schon sehr gebessert. Auch wenn man wieder in die Ereignisse hereingeworfen wird, wird hier mehr beschrieben, mehr Acht auf die Atmosphre gegeben. Ein sehr ordentliches Buch, diesmal ohne bernatrliche Ereignisse. 5 von 5 Sternen fr Treasure of the Deep.Bei Pyramid of the Gods wird das Ganze dann richtig abgespaced. Whrend ich nichts gegen Fantasy bei Adventurebchern habe, so ist diese doch wieder nicht so richtig ordentlich eingebunden. Irgendwas fehlt, ohne dass ich genau sagen knnte, was. Daher 4 von 5 Sternen.Der Schreibstil der Bcher ist ordentlich, man kann sie beruhigt mal so zwischendurch lesen. Die Geschichten an sich sind auch nett, auch wenn aus dem ersten Buch wie gesagt noch mehr htte gemacht werden knnen. Die Charaktere sind gut umrissen, mit jedem Buch erfhrt man mehr ber die Hintergrnde - wenn auch eben nur so viel, wie Nick Caine uns wissen lassen mchte (die Bcher entstammen schlielich seinem Tagebuch). Alles in allem

sehr ordentlich, ich habe mich auf jeden Fall unterhalten gefhlt.

KurzbeschreibungFor fans of Indiana Jones, Tomb Raider and National Treasure, the first three #1 bestselling Nick Caine adventures by J.R. Rain and Aiden James!**TEMPLE OF THE JAGUAR**Nick Caine is a part-time archaeologist and full-time antiquities thief--a looter. And a very good one, too. So good that he catches the attention of the beautiful Marie Da Vinci, who offers him the chance of a lifetime: to locate the legendary Ciudad Blanca. The lost White City. A city purportedly filled with riches beyond belief.Against his better judgment, Nick agrees to help... and soon finds himself on a trail into the unknown. And close behind is someone who will stop at nothing to beat them to the prize. Nick Caine, of course, has a few surprises up his sleeve. After all, he's no ordinarily looter.**TREASURE OF THE DEEP**Now stranded on a small, forgotten island in the southern Maldives, Nick Caine and his ever-faithful sidekick Ishi are thrown into a desperate fight for survival. Seemingly betrayed by Marie Da Vinci, Nick is forced to gamble his and Ishi's very existence on an ancient map. The parchment document promises an incredible horde of hidden pirate treasure.The very words are music to a looter's ears - except the duo aren't the only ones interested in the hidden treasure. Modern day pirates are on the scene, and it's going to take all of Nick Caine's unflappable charisma to bail them out this time. The stakes quickly escalate, leaving Nick and Ishi very little time to narrow down the map's clues. Soon, their fate and that of an exotic Maldivian beauty named Norema hang in a precarious balance... proving once again that looting is a deadly business.**PYRAMID OF THE GODS**Deep in an Egyptian desert known as The Great Sand Sea lies an ancient treasure trove of Hittite gold.Legends say the gold belongs to the famed goddess, Sekhmet. But a map belonging to Nick Caine says otherwise... at least to Nick. He has returned to Egypt to claim the treasure, along with Ishi, Marie Da Vinci, and an old friend of her father's, Akiiki Mubarek.Twelve long and painful years have passed since the last time Nick ventured into the unforgiving landscape - a trip that cost a college buddy who once owned the map his life soon after they began digging in the desert. Forced to witness his friend's execution, he vowed never to come back... until now.The four treasure-hopefuls journey to the deadly wasteland just north of Sudan, and fortune seems to smile when they uncover one of Egypt's last buried pyramids... a pyramid that looks remarkably like its Mayan counterparts. But a band of violent marauders from Sudan descend on the site, threatening to not only claim the gold for themselves, but to spill innocent blood in the process.A chance for redemption quickly turns into a desperate fight to survive. This time, even Nick might not escape the devil in The Great Sand Sea...****Acclaim for the Authors****"Gripping, adventurous, and romantic - J.R. Rain's The Lost Ark is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"-James Rollins, international bestselling author of The Eye of God"Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."-Bookfinds on The Forgotten Eden"J.R. Rain delivers a blend of action and wit that always entertains. Quick with the one-liners, but his characters are fully fleshed out (even the undead ones) and you'll come back again and again."-Scott Nicholson, bestselling author of The Red Church"The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."-Huntress s for The Devil's Paradise
