Von Kathleen Eagle : The Night Remembers (Avon Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Night Remembers (Avon Romance):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An unusual story that captures a reader's heart. Von Ein KundeKathleen Eagle has crafted an unusual story of tragedy and the healing power of love. I absolutely got swept away by the story that evolves around Jesse Brown Wolf and Angela

Prescott. The tragedies that brought them together caught at my heart. The only thing I would have liked to see done differently was the way Angela and her former lover's final scene was handled. This scene was the only one that didn't add up to the level of intensity that it deserved. Everything else was excellent. I'm anxious to read more of Kathleen's work. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A really good read Von Ein Kunde THE NIGHT REMEMBERS reminded me a bit of the movie "Sleeping with the Enemy". It had a slow, easy style that is characteristically Eagle. There was lots of plot, characterization and good "causes". Jesse and Angela had great chemistry! This book stresses the importance of FAMILY, even unconventional ones, as long as they are caring people. I like Kathleen Eagle very much and will return to her when I want a substantial plot and a slower, easier style. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Hard to put down! Von Ein Kunde Once again Kathleen Eagle gives us a superb book. The only thing that kept me from giving this book 5 stars is that it stretches the imagination a bit too far to think Jesse can find such a hideout! I also wish she had put more finishing touches on the character, Matt. He had been such a negative influence on Angela, and I felt as if he just faded away. With those exceptions this is a book with a touching romance and a superb plot.

Kurzbeschreibung In a spellbinding novel of depth and sensitivity, award-winning author Kathleen Eagle masterfully weaves the richness of Native American folklore into a contemporary story of hope, courage, and the power of love to lift the human spirit. Angela Prescott has pulled up stakes and moved halfway across the country, seeking refuge from a man who has made her life a nightmare. Starting over in an unfamiliar city, she's wary and keeps to herself, until she meets twelve-year-old Tommy T. Street-smart Tommy T knows how to keep secrets. He's told no one of the mysterious recluse living in an underground hideaway, whose face he's never seen. A gifted comic book artist with no place to live, Tommy T needs someone to believe in, and in this phantom stranger he finds the comic book superhero of his dreams. Jesse Brown Wolf's past has driven him underground in many ways. By day, he is a handsome repairman who fixes the plumbing in Angela's rooms. By night he lives in the shadows, acting with reckless bravery to make the streets safer for kids. . . and whispering into Angela's sleeping ear promises of comfort, security, and heart's ease. de Kathleen Eagle enters compelling new territory in this urban-set contemporary which focuses on three people-- Angela Prescott, a woman starting completely over after escaping a bad relationship; Tommy T, a street-smart 10-year-old who needs someone to believe in; and Jesse Brown Wolf, a man tormented by grief and guilt who's leading a double life. Jesse is an especially fascinating figure: a simple repairman by day who becomes a superhero at night, taking guns away from street kids ... a phantom lover who whispers words of heart's ease into Angela's ear ... a man whose underground hideaway protects him from a world that's become too painful to face. Native American characters and folklore enrich this story of redemption, which takes readers through some dark terrain, but leaves them in a place of light. A bold, thought-provoking novel that asks some tough questions, from an award-winning writer. Note the lovely Swinburne poem. com A newspaper article inspired this compelling story of lost hope and found love. The story featured a homeless man found living in an underground urban hideout. Kathleen Eagle artfully weaves this setting, Native American myth, and comic book archetypes into a sad tale of three lonely and frightened people who have much to lose by exposing themselves to the world. Angela Prescott is running from her former abusive lover; Tommy T is a child abandoned to the streets by his alcoholic mother; and Jesse Brown Wolf is a street-smart loner by day, a vigilante by night. The three find that despite life's harsh realities, there is still much beauty to discover in love.
