Von Kristin Hannah : The Nightingale: Bravery, Courage, Fear and Love in a Time of War (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nightingale: Bravery, Courage, Fear and Love in a Time of War (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Everything I want in a book.Von Frankal'm not sure if I want to call this book beautiful since due to the subject matter

it's so painful to read at times but I absolutely loved and highly recommend it. It's educational, brutally honest, emotional, touching and captivating. I did not want to put it down. One of my favorite reads in a long time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Worth the read Von Richard Kearney The best book I read this year .could not put it down. worth the 14 euros I paid. .loved her style of writhing 2 von 2 Kunden fanden die folgende Rezension hilfreich. Liebesgeschichte whrend dem 2. Weltkrieg Von Pernille Schwieriger Einstieg, vor allem weil die amerikanische Autorin in der Geschichte so ziemlich alle Frankreich- bzw. Europa-bezogenen Klischees erfllt, die man sich nur vorstellen kann (Picknicks im Park, Baguette, Kaffeehuser...etc.), sodass ich eigentlich nicht mehr weiterlesen wollte. ABER wenn man sich etwas weiter vorgearbeitet hat, stt man auf eine wirklich tolle Erzhlung, die die Folgen des 1. Weltkriegs und den 2. Weltkrieg in Frankreich behandelt!

Kurzbeschreibung The New York Times number one bestselling title. Bravery, courage, fear and love in a time of war. Despite their differences, sisters Viann and Isabelle have always been close. Younger, bolder Isabelle lives in Paris while Viann is content with life in the French countryside with her husband Antoine and their daughter. But when the Second World War strikes, Antoine is sent off to fight and Viann finds herself isolated so Isabelle is sent by their father to help her. As the war progresses, the sisters' relationship and strength is tested. With life changing in unbelievably horrific ways, Viann and Isabelle will find themselves facing frightening situations and responding in ways they never thought possible as bravery and resistance take different forms in each of their actions. Vivid and exquisite in its illumination of a time and place that was filled with atrocities, but also humanity and strength, Kristin Hannah's *The Nightingale* will provoke thought and discussion that will have readers talking long after they finish reading. *Pressestimmen* A beautifully written and richly evocative examination of life, love, the ravages of war, and the different ways people react to unthinkable situations-not to mention the terrible and mounting toll of keeping secrets. This powerhouse of a story is equally packed with action and emotion, and is sure to be another major hit. I loved it.-- Sara Gruen, #1 New York Times bestselling author of *Water for Elephants* "I loved Kristin Hannah's "*The Nightingale*." She has captured a particular slice of French life during World War II with wonderful details and drama. But what I loved most about the novel was the relationship between the two sisters and Hannah's exploration of what we do in moments of great challenge. Do we rise to the occasion or fail? Are we heroes or cowards? Are we loyal to the people we love most or do we betray them? Hannah explores these questions with probing finesse and great heart." --"Lisa See, #1 New York Times bestseller author of *Snow Flower and the Secret Fan*" "In this epic novel, set in France in World War II, two sisters who live in a small village find themselves estranged when they disagree about the imminent threat of occupation. Separated by principles and temperament, each must find her own way forward as she faces moral questions and life-or-death choices. Haunting, action-packed, and compelling." --"Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train*" "I read" *The Nightingale* "in one sitting, completely transported to wartime France, completely forgetting where I was. A historical novel-built on Kristin Hannah's proven skill with story, complex and enduring family ties, and passion-that will captivate readers." --"Marilyn Dahl, Shelf Awareness" "I found "*The Nightingale*" to be absolutely riveting! I started reading it one night after supper, with every intention of reading just a few chapters for that evening, and could not put it down. Not only is it an emotionally inspiring story with well-drawn characters who you grow to care about deeply but it is also historically informative....Read this book. It will keep you guessing throughout about the two sisters, Vianne and Isabelle, both brave young women who did what they thought was the right thing to do in the most difficult of circumstances. They had--in the words of Lawrence Langer the World War II historian-scholar--too often to make 'choiceless choices.'" --"Dr. Miriam Klein Kassenoff, director of the University of Miami Holocaust Teacher Institute" "A beautifully written and richly evocative examination of life, love, the ravages of war, and the different ways people react to unthinkable situations-not to mention the terrible and mounting toll of keeping secrets. This powerhouse of a story is equally packed with action and emotion, and is sure to be another major hit.
