Von Candace Robb : The Nun's Tale: An Owen Archer Medieval Mystery before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nun's Tale: An Owen Archer Medieval Mystery:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Robb Brings Medieval Times to LifeVon Ein KundeIn the spring of 1366, Dame Joanna Calverley appears in Beverley

England after an absence of several months -- and after having been reported dead and buried. Though Dame Joanna claims to have been resurrected in order to return a relic she had stolen from St. Clement's nunnery, no one knows the truth of her story. Did she ever really die? And why did she run away from St. Clement's in the first place? Soldier-sleuth Owen Archer is sent to unravel the mystery, and he and his wife, Lucie, are dragged into the case until they are in danger of losing their lives. Candace Robb's mystery is a well-written story and an easy read. Characters, setting, and plot are all well-developed, drawing the reader into Owen and Lucie's adventures.

Kurzbeschreibung When a young nun, Joanna Calverley, dies of fever in the town of Beverley, they waste no time in burying her, fearing the plague. But nine months later a woman turns up claiming to be Joanna, saying she faked her own death. When murder follows close on her heels, John Thoresby, Archbishop of York, knows he must enlist the help of his favourite detective, Owen Archer. While Owen sets off for Leeds and Scarborough to speak with the Percy family and Geoffrey Chaucer, who is spying for the King, his wife Lucie tries to discover from Joanna the events of her missing year. Soldiers fleeing to France, relic-trading and incest are just a few of the secrets which emerge. Pressestimmen "Ellis Peters [has] a cohort of pretenders snapping her heels. Most impressive of the bunch is Candace Robb." --Time Out (London) "A gripping historical mystery." --Publishers Weekly "Excellent...Ms. Robb has brought [actual historical characters] to life with great style." --Mostly Murder
