Unputdownable Von silke cormican (ccormican.aol.com) Following "The Founding", "The Dark Rose" and "The Princeling", this is the fourth book in the MORLAND DYNASTY series. After many years of peace and prosperity, the reign of Charles I brings brutal civil strife to England. With their century-long history of fighting for what they consider a just cause, the Morland family is drawn inevitably into the bloody fighting. While the oldest son Ralph brings home a Puritan wife, thus creating a schism between himself and his father, his younger brother Kit joins the Royalist cavalry under Prince Rupert. Before leaving for the war, Kit marries his cousin Hero, thus making a lifelong enemy of Hero's brother Hamil. When the two cousins meet during the war, albeit fighting on the same side, the death of one seems inevitable. There are so many more stories in the book concerning the various branches of the Morlands that it is impossible to go into more detail. For the first time, the author includes Colonial America in the story, telling of the desperate struggle of a young couple to survive in a harsh New World. The characters are believable and the stories, which have been well researched, are full of rich historical detail. I simply could not stop reading until I reached the last page and then I rushed on to the next book. I have read the first six books in the series and have not yet been disappointed.

Kurzbeschreibung 1630: after long years of peace the reign of Charles I brings brutal civil war to England. The clash between King and Parliament is echoed at Morland Place when Richard brings home a Puritan bride while his brother, Kit, joins Prince Rupert and the Royalist cavalry, leaving their father Edmund desperately trying to steer a middle course between the fighting factions. As the war grinds on, bitterness and disillusion replace the early fervour, and the schisms between husband and wife, father and son, grow deeper. Edmund struggles grimly through it all in an attempt to keep the Morland fortune intact, but he is thwarted by the estrangement between his sons and then alienated from his beloved wife, Mary.
