Von T. H. White : The Once and Future King before purchasing it in order to gage whether or not it would be worth my time, and all praised The Once and Future King:

Kurzbeschreibung The extraordinary story of a boy called Wart ignored by everyone except his tutor, Merlin who goes on to become King Arthur. T.H. White's masterful retelling of the Arthurian legend is an abiding classic. The Once and Future King, contains all five books about the early life of King Arthur (The Sword in the Stone, The Witch in the Wood, The Ill-Made Knight, The Candle in the Wind and The Book of Merlyn). Exquisite comedy offsets the tragedy of Arthur's personal doom as White brings to life the major British epic of all time with brilliance, grandeur, warmth and charm. Pressestimmen: "Magnificent and tragic, and irresistible mixture of gaiety and pathos" The Sunday Times. "This ambitious work will long remain a memorial to an author who is at once civilized, learned, witty and humane" Times Literary Supplement.
