Just: thumbs up!Von LajaI have been thrilled by the first book already and the second kept me going. Still the author managed to surprise me with the twists he placed always in the very right moment.I've started with the third book straight away and looking forward to see how all may end.Also I want to add, that I read the first book in german, but had to continue in english, because the other parts haven't been translated so far. I assume there might be some more out there facing the same problem. Personally I would say my language skills in english are moderate and I could cope pretty good with the reading. Try the sample to get an impression, if you feel insecure about it. That's how I did it :) Fr deutsche Leser: das Englisch ist in diesem Buch gut lesbar. Meine Sprachkenntnisse wrde ich mal in der Mitte ansiedeln und das ging prima. Ich habe mir zunchst das sample geholt, um zu schauen wie ich klar komme.2 von 2 Kunden fanden die folgende Rezension hilfreich. Geht soVon AnnaMuss ehrlich sagen, ich fand es leider nicht so spannend, der Hhepunkt fehlte und auch das Ende war etwas unbefriedigend. Ein richtig spannendes Buch sieht anders aus!1 von 1 Kunden fanden die folgende Rezension hilfreich. Warum habe ich das Sequel überhaupt gekauft?Von KaninchenNa ja, 2,49 sind zu verschmerzen. Aber gelohnt hat es sich nicht. Die Geschichte ist an den Haaren herbei gezogen.

Pilkington does just this. The One You Love will captivate and keep you up nights. Jeffery DeaverWerbetextThe international number-one chart-topping ebook
