Thrilling mysteryVon Gloria MullerI would recommend this book to both sexes. You are left in suspense until the end. good book from beginning to end0 von 0 Kunden fanden die folgende Rezension hilfreich. Just: thumbs up!Von LajaI have been thrilled by the first book already and the second kept me going. Still the author managed to surprise me with the twists he placed always in the very right moment.I've started with the third book straight away and looking forward to see how all may end.Also I want to add, that I read the first book in german, but had to continue in english, because the other parts haven't been translated so far. I assume there might be some more out there facing the same problem. Personally I would say my language skills in english are moderate and I could cope pretty good with the reading. Try the sample to get an impression, if you feel insecure about it. That's how I did it :) Fr deutsche Leser: das Englisch ist in diesem Buch gut lesbar. Meine Sprachkenntnisse wrde ich mal in der Mitte ansiedeln und das ging prima. Ich habe mir zunchst das sample geholt, um zu schauen wie ich klar komme.

KurzbeschreibungDays before their wedding, during their last separate nights of hard-partying singledom, Emma Holden's fiance has gone missing. Not only has Dan disappeared without a trace, his brother is found beaten and left for dead, and may not wake up from a coma. Without any evidence, suspicion for the attempted murder falls on Dan - but Emma refuses to believe his guilt. When crime scene photos get splashed across the pages of London tabloids, Emma knows that someone is following her. Watching her. It is an old, familiar feeling, though no less terrifying. A long-hidden family secret seems to unite Emma's troubled past with her dangerous present. As time runs out her trust in her family, her friends -- and Dan -- faces an ultimate test.PressestimmenIt's rare to find a thriller writer who can simultaneous propel us readers forward at a breakneck pace and yet engage our minds as we unravel puzzles brilliantly seeded through the story. Pilkington does just this. The One You Love will captivate and keep you up nights. (Jeffery Deaver)WerbetextThe international number-one chart-topping ebook
