The second chance we all dream about...Von Ein KundeTender and romantic, this is a touching "reunion" love story you won't want to miss. I was saving this to read over the weekend but I found the beginning so engaging I went ahead and finished it on Friday! Dinner? What dinner? Face it, any book that makes you forget to fix dinner so you get taken out is worth its weight in gold.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Beautiful StoryVon KimGive yourself plenty of time when you start this one! You won't be able to put it down once you start reading!! A very

special romance that has you hating to see it end.

KurzbeschreibungHER HOMETOWN SWEETHEARTTheir first kiss had been under the mistletoe, when Caitlin Drummond was little more than sweet sixteen. But years later, what started as a flirtation with Trey Weber grew into a fiery passionone the aloof cowboy seemed reluctant to pursue. Until they cast the consequences aside one night to give each other comfortand wound up creating a baby.Now Caitlin's childhood dream had come true: her handsome Montana man had proposed marriage. But before she said "I do," she needed to know that Trey wasn't just doing the honorable thing. She needed to know she was his one and onlyjust as he had always been hers.KurzbeschreibungHER HOMETOWN SWEETHEARTTheir first kiss had been under the mistletoe, when Caitlin Drummond was little more than sweet sixteen.
