sunshine and roses Von E.T. David and Josh are a couple, were SEALs together and now their live takes an other turn. David left the military and is becoming a therapist for PTSD veterans. Josh, who is still a SEAL had to take a break from activ duty due to injury and was an instructor for two years. Now he wants back to his old team. To say that David is not happy with this is an understatement. Beeing in harms way himself is one thing, sitting at home and wating when and if his beloved comes back freaks him out. This is no story in which the military is glorified, no action war scenes, no heroes. But it is a great book about hope and injury, love and trust. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beeindruckend Von Anonymus Vom Titelbild hatte ich eine "ein schwules Paar adoptiert ein Kind"-Geschichte erwartet, leicht und fluffig mit ein paar niedlichen Bemerkungen in Kleinkindsprache. Geliefert wurde jedoch eine Abrechnung mit der Versorgung der US-amerikanischen Armee-Veteranen und der Krankenversorgung in den Vereinigten Staaten insgesamt, eingebettet in die Fortsetzung der Geschichte von Josh und David. Josh kehrt wieder in den aktiven Dienst zurck, mchte jedoch ein Kind adoptieren, David hat seine erste Stelle als Psychotherapeut und traut sich an die Adoption noch zu. Empfehlenswert.

Kurzbeschreibung Committed couple David Flint and Josh Walker are long past the injuries, separation, and chain-of-command issues that plagued their early years together as Navy SEALs. Now, with David embarking on a new career as a therapist, the future looms bright and promising Until Josh, now recovered from the post-traumatic stress that kept him sidelined for two years, goes back to active duty. David dreads the long weeks of sleepless nights and radio silence ahead and wonders if Josh is really as recovered as he claims to be. Counseling other traumatized vets fills Davids days and helps him find a new purpose, but its his act of kindness to a homeless teenager that may end up changing everything, for him and for Josh. (Previously published in the Unconditional Surrender: An M/M Military Bundle anthology.)
