Von Allison van Diepen : The Oracle Of Dating (An Oracle of Dating Novel, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oracle Of Dating (An Oracle of Dating Novel, Book 1):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooTHE ORACLE OF DATING was a fun and flirty start to what I'm sure will be a great new series. The main character, Kayla, was extremely likable and I loved being able to read about her different experiences. She always kept a level head and never let anyone get the best of her.In addition to Kayla, she had a great group of friends who always supported her. They were a diverse group who went together perfectly. Each of them was unique and realistic, and Ms. van Diepen did a great job of getting into the head of a modern high school student.One

of my favorite aspects of the novel was reading about Kayla's website - The Oracle of Dating. She gave out great advice and the website was such a huge part of her life. I understood how she wanted to keep it a secret, but I was happy her sister was in on it. Tracey was another fantastic character. She and Kayla had a great relationship, even though at times Kayla seemed like she was the older one, always giving Tracey advice and being a shoulder to lean on when her relationships didn't work out. The author has a great writing style and the book contained some serious sides, as well. Although Kayla spent a lot of her time giving out dating advice, she'd personally only had two failed relationships. Luckily, Jared enters the picture. I loved Jared. He was the perfect mix of sweet and bad boy that kept both Kayla and the reader guessing. It was great watching their relationship develop, and I was crossing my fingers that everything would work out for them. Overall, THE ORACLE OF DATING was a great - and original - novel that left me eager to start the sequel, THE ORACLE REBOUNDS, and to see what happens to Kayla and her friends next. I highly recommend picking this one up! Reviewed by: Kelsey Jones

Kurzbeschreibung For five bucks, the Oracle of Dating will tell you: How to flirt If that cute guy you're crushing on likes you, too Whether your new romance will last through lunch period And much more What she won't tell you? Who she is. No one at Kayla's school knows she's the famous Oracle of Dating the anonymous queen of dating advice. She doesn't even have a boyfriend. Two relationship disasters were enough to make Kayla focus on everyone else's love life. But then her advice backfires on her own best friend. And Kayla starts to seriously obsess about Jared Stewart the very cute, very mysterious new guy in school. Suddenly, the teen queen of advice needs her own oracle of dating and she knows just where to find one.
