Multicultural before it was a buzzwordVon Heidi Anne HeinerLang was one of the first editors to collect multicultural fairy tales into one volume for readers. The Orange Fairy Book offers tales from many cultures. Included tales are The Girl-Fish, How Isuro the Rabbit Tricked Gudu, How the Stalos Were Tricked, The Adventures of a Jackal, Story of

the King Who Would See Paradise, and many others. I have enjoyed the colored fairy books for years. Don't miss the great illustrations either.
