KurzbeschreibungFrom the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist.'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together'To Georg Red, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity.PressestimmenNorwegian novelist Jostein Gaarder is best known as the author of the enormously popular "Sophie s World: A Novel about the History of Philosophy," a best-seller in 40 countries, with more than 12 million copies sold worldwide."A modern fairytale HEAT"It should be read by all VOGUE"A modern fairytale--HEATIt should be read by all--VOGUEA whimsical, thought-provoking story, with more than one surprise in store--GOOD BOOK GUIDEWerbetextFrom the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist.
