**Von Jenn Cooksey : The Other Fish in the Sea (Grab Your Pole Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Other Fish in the Sea (Grab Your Pole Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wieder Gut!Von Marie-Sophie WieseDie Bcher aus der Serie sind einfach nur toll und fesseln einen. Endlich hat man etwas

mehr über die Charaktere gelesen und ich habe es geliebt, dass das Buch aus verschiedenen Sichten geschrieben ist. Ich hätte mir aber etwas mehr Jillian gewünscht, weil sie einfach die beste Person im Buch ist! Cami und Tristan haben wieder eine unheimlich schöne Geschichte aber auch die anderen wie Kate und Melissa und ihre Geschichten werden mehr behandelt! Super Buch und noch besser als das Band 1.

**Kurzbeschreibung**In Shark Bait, readers everywhere met and fell in love with the new girl, Camie Ramsey, and swooned over her sure to be future husband, Tristan Daniels. Now, in the long awaited second installment of the Grab Your Pole series by Jenn Cooksey, The Other Fish in the Sea, Camie and Tristan are back, but so are their friends! So, find a breathing apparatus and shimmy into your scuba gear, because it's finally time to dive deeper into the lives of the GYP gang, but be warned, it's a big world out there and an even bigger ocean where danger might be lurking around the next corner and realistically, anything could happen.

**über den Autor und weitere Mitwirkende**Jenn Cooksey is a Southern California girl born and bred, however she's no longer a resident of heaven on earth, but instead she currently resides in the 7th Ring of Hell with her husband, their three daughters, and a goodly number of pets. Aside from her husband, one cat, and three out of five fish, everyone living under the Cooksey's roof is female. She's sure her husband will not only be awarded sainthood when he kicks the bucket, but that Jesus will welcome him into heaven with a beer and a congratulatory high-five. Jenn is also of the belief that Bacon should be capitalized and that just being yourself is the best way to go. That is, unless you can be Batman. Always be Batman.
