Von Cary Attwell : The Other Guy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Other Guy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. What's not to like about a guy named Emory?Von FelizBeing the one left behind at the altar sucks rocks. Does it? Not of you make the best of it--at least, you can take the honeymoon trip you once planned with your wasn't to-be wife-to-be. Surprises, even life-altering ones, are likely to occur in an exotic place like this, right? Though sometimes they're also right around the corner.The beginning was kept from being maudlin by Emory's (Emory!) voice- however the way his fear made him almost stupid nearly broke my heart. And Nate, he's just the sweetest person....must simply like him.A beautiful book, not too angsty, not too sweet, just right.2 von 2 Kunden fanden die folgende Rezension hilfreich. soooo funny!Von LauraI laughed out loud several times while reading this one. Loved the style and the characters just

for lines like "so I asked myself "self..." .It was fun, the characters were well developed and I didn't want it to end. What else is there to say?0 von 0 Kunden fanden die folgende Rezension hilfreich. WonderfulVon AnnaBananaI love the storyline but I completely adore the style of writing. I would recommend it - funny and sweet without sounding towanted - to everybody

KurzbeschreibungEmory James is, by his own admission, not the type of person the adjective exciting would ever deign to touch with a ten-foot pole. Cautious, reserved and staid, however, all crowd around him like best friends. Still, he gets by -- or at least he gets by up until his fiance dumps him at the altar. Out of spite, he takes a solo honeymoon to Thailand, where he can pretend to be someone better than himself for a little while. In meeting Nate, a fellow traveler, Emory slowly discovers how to stop pretending.KurzbeschreibungEmory James is, by his own admission, not the type of person the adjective exciting would ever deign to touch with a ten-foot pole. Cautious, reserved and staid, however, all crowd around him like best friends. Still, he gets by -- or at least he gets by up until his fiance dumps him at the altar. Out of spite, he takes a solo honeymoon to Thailand, where he can pretend to be someone better than himself for a little while. In meeting Nate, a fellow traveler, Emory slowly discovers how to stop pretending.ber den Autor und weitere MitwirkendeCary Attwell lives in Seattle, Washington, where it rains and rains like the dickens, except when it doesn't. Fretting occurs on a daily basis, and small acts of idiocy are perpetrated with stunning proficiency much more often.
