**Von Eric Jerome Dickey : The Other Woman** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Other Woman:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. EinfhlsamVon Ein KundeEs ist schon erstaunlich, wie intensiv Eric J.D. sich in die Gedankenwelt einer Frau versetzen kann. Noch erstaunlicher ist, wie sthetisch die, von schlechteren Schriftstellern bestimmt pornografisch erscheinenden Liebesszenen geschildert werden. 4 anstatt 5 Punkte nur, weil ich das Ende so traurig fand.0 von 0 Kunden fanden die folgende Rezension hilfreich. AwesomeVon Jessica RothbartTook me 2 days to read this book.I

love Dickey's books and his way to describe everything that good that you feel like you're a part of this story. Great great great

**Kurzbeschreibung** Eric Jerome Dickey strides boldly over the minefield that is modern marriage. The central couple's biggest challenge is timing: He works days; she works nights. Instead of growing together, they're rapidly drifting apart, coexisting on stolen phone calls from work, punctuated by occasional bedroom encounters that leave them both feeling even emptier and more alone. When she finds out about his affair—and starts her own—the delicate fabric of their marriage is torn irrevocably asunder. Or is it? In Dickey's expert hands, what begins as a seemingly unforgivable betrayal segues into the sexy and searing story of a man and a woman at a pivotal turning point in their relationship. Only time will tell whether they'll let it all go...or can hold on to the love that drew them together in the first place.

From Publishers Weekly: Plans for revenge spin out of control in this sharp-edged, sizzling novel by bestselling Dickey (*Liar's Game*; *Between Lovers*). The unnamed narrator has it all—a loving husband, a beautiful home and a lucrative career as a television producer in Los Angeles. Although she works long hours, she knows that she and her husband, Charles, a middle-school teacher, depend on her earnings to live the good life. Upon receiving strange messages at work from a mysterious man named David Lawrence, she assumes that he is a media-hungry stalker. But when David finally reaches her, he tells her that her husband has been having an affair with his wife, Jessica. The reporter in her takes over, and she immediately confronts Charles, who admits that he had an affair with Jessica, but says it is over. Confused, angry and in complete shock, she demands that Charles give her the intimate details of the affair; he refuses. "And I'm supposed to accept that?... My marriage is supposed to be my place of solace, not a place of fucking grief, and my husband is supposed to be my friend, not my fucking enemy. Choose which one you want to be." Unwilling to go on without answers to her many questions, she soon finds herself commiserating with David Lawrence. As the pieces of the puzzle come together, her world falls apart and she finds herself desperate for revenge. But will revenge heal her tattered soul or destroy her completely? Dickey offers plenty of straight-on sex and violence, but also probes questions of contemporary morals and the psychology of betrayal, writing compellingly and believably from his heroine's point of view. This will be another crowd pleaser. Copyright 2003 Reed Business Information, Inc.
