Von Christopher Nuttall : The Outcast (The Empire's Corps Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Outcast (The Empire's Corps Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. ok aber..Von KomikerNuttall versucht, eine epische Story zu erzhlen.Soweit, so gut. Was ihm jedoch nicht gelingt, ist der Umgang mit Zahlen und dadurch verliert The Outcast an Glaubwrdigkeit.Das Zeitfenster fr das Buch ist, in meinen Augen, viel zu knapp fr die Heldin, um alles zu erreichen, was sie erreicht, zumal sie im zarten Alter von 16 von einer

voll geschützten Umgebung auf eine Welt voller Möglichkeiten wechselt. Darüber hinaus sind manche Aussagen völlig widersprüchlich: ich schicke 10.000 oder 100.000 Soldaten, um eine Welt zu erobern und es wird meinen Planeten mit über 1 Mrd. Menschen in Gefahr bringen, dass er die Jugend weggehen sieht? Wohlwissend, dass diese "Soldaten" technisch unfähig sind und undiszipliniert sind.... Oh weh... Wenn man die Reihe "Empire's Corps" mag, kann man das Buch lesen, ansonsten muss man manchmal an der mangelnden internen Logik staunen.

Kurzbeschreibung A new novel set in the universe of The Empires Corps! When Sameena's brother accidentally annoys a religious leader on her homeworld, her entire family is targeted for elimination. Forced to flee to save her life, Sameena stows away on a trader starship and is eventually welcomed into the crew, embracing their very different culture and making a new life for herself amongst the stars. But the Galactic Empire is starting the final descent into chaos and her new home is on the verge of collapse, while secretive forces are manoeuvring to take advantage of the Empire's collapse. If Sameena cannot find a way to keep some small part of civilisation intact, the galaxy will crash into a new dark age that will last far longer than a thousand years.
