series is different from other historical romances. They are funny and interesting and worth reading over and over.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sore disappointmentVon KaiI bought this book based on the glowing reviews about how funny it is. Well, it was a disappointment. There was very little funniness. And, even worse, no character development to speak of. They saw each other, they wanted to shag each other, and voila, there you have eternal love. As cheap as cheap can be. I would have at least wanted a good show of how and why they fall in love. Don't bother to buy.2 von 3 Kunden fanden die folgende Rezension hilfreich. Zurck zu den VikingernVon Ein KundeModerne rtzin wird durch einen Schlag auf den Kopf in die Vikinger-ra zurckversetzt. Dort trifft sie auf einen verbitterten Krieger, der glaubt, seinen Herz und seine Seele verloren zu haben. Mit Gotteshilfe und Liebe heilt sie seine ueren und inneren Wunden. Die Geschichte hat von allem etwas: Aktion, Humor, Tragik und niedliche Rotznasen. Leider gehrt die Heldin zu den Frauen, die ihren Mann zwar lieben aber unbedingt - zu seinem Besten natrlich - ndern wollen. Wenn ich mich in einen traumhaften Supermacho verliebe, mchte ich auf keinen Fall mit einem Schohund enden, oder?

KurzbeschreibungAs tall and striking as the Valkyries of legend, Dr. Rain Jordan is proud of her Norse ancestors despite their warlike ways. But she can't believe her eyes when a blow to her head transports her to a nightmarish battlefield of yoreand there standing before her is the barbarian of her dreams.A wild-eyed berserker, Selik can slay a dozen Saxons with a single swing of his deadly swordyet he can't control a saucy wench from the future. In his eyes, Rain is a prisoner and he'd dearly love to avail himself of her medical skillsnot to mention her considerable knowledge of the male anatomy. But the infuriating woman has ideas of her own. If Selik isn't careful, the stunning siren might very well capture his savage heart and make a warrior of love out of . . . (Romantic Times BOOKclub)Her characters are fun and the situations they get into are sometime bizarre. This story had me laughing and cheering and not wanting to stop reading. If you need or want some comic relief, pick up one of Ms. Hills books. You wont be sorry.
