**Von Connie Mason : The Outlaws: Rafe (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Outlaws: Rafe (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Zuviel Drama...Von guddiObwohl er mit einer guten Idee beginnt,(junge unschuldige Frau rettet unschuldigen Outlaw vorm Galgen, er rettet sie wiederum vor dem bsen Stiefvater, der sie aus Profitgier an einen seiner Freunde verheiraten will), wird der Roman fr mich im Laufe der Handlung immer unglaubwrdiger und anstrengender zu lesen.Der Outlaw Rafe flichtet zunchst nur von falschen Anschuldigungen ein Bankruiber zu sein. Im Laufe des Romans kommen noch andere -

falsche- Anschuldigungen hinzu. Die Goldmienennerbin Angela ist hin und her gerissen zwischen positiven Gefühlen dem Outlaw gegenüber und der Unsicherheit, ob er nicht doch ein Verbrecher ist... Sie hatte bei mir zunächst Bonuspunkte, weil sie den Outlaw aus einer Laune heraus vor dem Strick rettet, allerdings sind diese Punkte bald verbraucht, weil sie Rafe's Unschuld in einer Tour in Frage stellt. Sie lässt sich vom ihm verführen, will dann aber doch nicht wirklich zu ihm stehen... Rafe hatte Bonuspunkte, weil er ganz sympathisch geschildert wird und Angela durchaus gut behandelt, sich richtig um sie kümmert, und ganz in ihrem Interesse handelt. Den anfänglichen guten Eindruck zerstört aber, da Rafe lieber vor Problemen davonläuft, die sich eigentlich nur aus der Feigheit ergeben, den Beschuldigungen ein Bankrüber zu sein zu stellen und sie aus der Welt zu schaffen. Die Dialoge sind sehr kurz gehalten, und erschienen mir oftmals als total unsinnig, und führten weder zu einer Klärung der Situation noch zum besseren Verständnis der Figuren. Gerade wenn man sich an eine Situation gewöhnt hat, und die Hauptfiguren einen Weg aus der Misere zu finden scheinen, passiert eine neue Katastrophe, und alles steht wieder auf Anfang, die Hauptpersonen driften wieder auseinander und stellen alles in Frage was zwischen Ihnen gewachsen ist. Das ist mir persönlich zuviel Drama und zu wenig positive Entwicklung. 1 von 1 Kunden fanden die folgende Rezension hilfreich. You have to read this! Von Huntress Reviews Rafe Gentry and his two brothers, Jess and Sam, were wrongly accused of bank robbery. Pursued by a posse, the three Gentry brothers quickly packed a few items from home and split up, each riding off into different directions. On the exact date next year they were to meet at the Antlers Hotel in Denver. This book is Rafe's story. He came upon a stagecoach robbery. He frightened off the outlaws, but the five people on the coach were already dead. Cowboys from a nearby ranch showed up and took Rafe to jail. Sister Angela Abbot's mother died, leaving her to the whim of her mean stepfather, Desmond Kent. Just afterward, her real father's letter arrived, forwarded by his lawyer. Simon Abbot had left half of his gold mine to Angela and told her that if he suddenly died she was to suspect his partner, Brady Baxter. Sure enough, Simon died shortly later. Brady offered to buy out Angela's half and she refused. Meanwhile, Kent decided Angela would marry Anson Chandler. He and Chandler planned to split the inheritance. Instead of meekly marrying, Angela slipped away to check out the mine and see if her father was really murdered. In Ordway, Colorado she found Rafe Gentry about to be hanged by a lynch mob. She reacted instinctively and announced to everyone that he was her fiancé. Once married, the two had Kent, Chandler, and the law hot on their tails. \*\*\* Connie Mason will hit the New York Times Bestseller's list again with this one! If Jess and Sam's stories are even a fraction as good as this one, then I do not know how I will wait. It oozes with problems and has enough romance to melt the iciest of hearts! Highly recommended reading! \*\*\* 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Keeper From Connie Mason! Von Eva Biediger An outlaw about to meet his maker and an angel on the run - Rafe Gentry and Angela Abbot soon find themselves bound by a marriage of convenience. Angela, left with a sizeable inheritance and partial ownership of a gold mine in Colorado, heads west to escape her greedy step-father turned guardian and the equally greedy man he has selected to be her husband. Rafe, charged with crimes he didn't commit, plays along with Angela's claim that he is her fiancé in an attempt to save him from hanging. Together, Angela and Rafe must turn their marriage of convenience into one of love, but first they must discover the truth and prove Rafe's innocence before the law catches up with them. But will their quest for the truth leave them both dead? "The Outlaws: Rafe" is a brilliantly written and captivating page-turner filled with delightful characters. The first of a 3 part series, I'll be eagerly awaiting Jess's and Sam's stories in the coming months. I'll gladly give up a night's sleep for a Connie Mason novel. This is one for the keeper shelf!

Kurzbeschreibung He was going to hang. Rafe Gentry has committed plenty of sins, but not the robbery and murder that has landed him in jail. Now, with a lynch mob out for his blood, he is staring death in the face...until a blond beauty with the voice of an angel steps in to redeem him. She was going to wed. There is only one way to rescue the dark and dangerous outlaw from the hanging tree is to meet in Pueblo. But Sister Angela Abbot never anticipates that she will have to make good on her claim and actually marry the rogue. Railroaded into a hasty wedding, reeling from the raw, seductive power of Rafe's kiss, she wonders whether she has made the biggest mistake of her life, or the most exciting leap of faith.
