FunnyVon Kindle JunkieThe witty dialogue - and picturing Gawain's foppish dress - had me laughing out loud numerous times. Very entertaining and definitely a re-read in the future.I also liked how the relationship between Brady and Regina slowly develops. Brady knows she tells lies. But it's her attempt to save her father's reputation. Perhaps the match is a bit uneven - daughter of travelling actors vs an earl, but many an empty pocketed noble did marry down for money.

He's also, happily, not a dead man, which he is certain was the object of the trio of scoundrels who had lately tied him up and tossed him headfirst into the Thames.Of course, there's also the matter of why he'd been skulking about the bowels of London after midnight, and her name is Regina Bliss. Mysterious, with an ability to lie that would shame the devil himself, Regina is a recent rescue from the London streets, and Brady has taken it into his head to find out where the dratted girl came from... and why she bothers him so.To accomplish his aim, Brady needs to return to London, but certainly not as himself (that would be awkward), and he needs the irritating Miss Bliss to come with him. What to do? Why, he could pretend to be his own heir -- a totally worthless, chuckleheaded moron of a dandy he'd rather die (again) to keep from the earldom.It could work. It should work. If only he could get past his attraction for Miss Bliss as she, horror of horrors, teaches him how to play the fop."Using wit and romance with a master's skill, Kasey Michaels aims for the heart and never misses." -- #1 New York Times Bestselling Author Nora RobertsKasey Michaels' Love in the Regency Series:Waiting for You: amzn.to/1i34OIZSomeone to Love: amzn.to/1N8GU3uThen Comes Marriage: amzn.to/1JG955kThanks for reading!Book Categories:Regency RomanceHistorical Regency RomanceFunny Regency RomanceRegency ComedyRegency FarceKurzbeschreibung\*\*For a limited time, get two free books from Kasey bit.ly/kaseymichaels (just copy and paste into your browser)\*\*From New York Times bestselling romance author Kasey Michaels comes the third in her Love in the Regency series.There are not many men who can say they attended their own funeral, but Brady James, Earl of Singleton is no ordinary man. Instead of pitying them, all I seem to feel is envy! I must be going mad. How else to explain my fascination with Regina Bliss? From the moment Kipp found her begging in the streets, the lying minx has plagued me. In fact, it was my interest in investigating her past that saw me trussed like a turkey, tossed in the Thames and left for dead by the three men I now hunt with every resource at my disposal. It's not often a man witnesses his own funeral. But I plan to masquerade as my own heir - a pretentious dandy, quite my opposite - as I seek my would-be assassins. And if it takes the considerable acting talents of Miss Bliss to accomplish my goal, so be it. That girl may be my secret weapon...if my unseemly desire for her doesn't destroy me first!
