Von John Grisham : Theodore Boone: The Fugitive: Theodore Boone 5 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Theodore Boone: The Fugitive: Theodore Boone 5 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Yes! Another Great, Intriguing Theodore Boone Thriller!Von pwaqWell! Here I am, and I am still tutoring a 14 year-old

young man. He is a fan of Theodore Boone! We have been studying 3John while waiting for the Kindle version and the paperback to arrive. He almost jumped for joy when I told him I had just finished chapter 10 of The Fugitive, and as soon as the paper back arrives we can start next week to discuss the story line. That turns out to be today! I've said it once and I will say it again: Mr. G is a stellar author. He encourages my student to read. It is fun to tutor bright, and eager students, and this young student is building a great vocabulary. Thank you Mr. G! I do not know of another krimi writer for adults who can bring a full blown adult Krimi narrative to the understanding of young readers. Those of my youth are all dead! ;) Even I crack a smile when I stumble onto great dialogue within The Fugitive. Great job Mr. G! Unfortunately, I have only five more weekly lessons, and then my husband, red heeler - Meg - and I are flying off to live out our retirement years in Texas - my home. My student was not happy about that news, but he jumped at the idea that we could finish The Fugitive in record time. I promise, this book will inspire you to vacation in Washington, D.C. this summer. Grisham's ability to build a great picture/infusion of local color and history into a short space is amazing. I have never been to D.C., but it will be on my bucket list immediately after finishing this tome - uh make that my 'review!' Will I find more young students in Texas who are also eager to become great at reading, digesting that which is read, pick out the plot plants, and succeed at building a great vocabulary? Yes! Good LORD willing. If you have not yet purchased at least one of these books for your young reader - what in heck are you waiting for? Christmas... Try Easter instead. Children do not get younger and certainly do not remain easily impressed with age. It takes much more effort as they grow into full blown teenagers. Trust me I know from experience... :)

I miss the fun factor Von SL Compared to the other books of the series the fun factor or humor is missing... here is much more suspense even fear of what might happen to Theo or his friends to be found. It's a captivating storyalthough I think Theo always staying at the same age cannot work for too long ... if you read that a suspect hides for a period of time and is found again the main character of the book has to get older as well.

Kurzbeschreibung He was supposed to be having fun with his friends, not playing detective and stalking a serial killer. Theodore Boone - teenage lawyer and courtroom hero - is on a class trip seeing the sights of the capital city. But he hadn't counted on seeing the most wanted man in the history of his home town, Strattenberg. Suddenly Theo is caught in the hunt for an accused murderer, alongside the FBI. Theo knows he's getting in deep - and things could become even more dangerous. Because if this case goes back to court, it will be down to him. Will justice finally be done...or will the killer's criminal allies be out for revenge?

Pressestimmen If you aspire to turn your children into lawyers who will keep you in your old age, John Grisham's Theodore Boone, his first novel for young people, might be for you. Sunday Times Nobody does legal fiction better. Daily Express Not since Nancy Drew has a nosy, crime-obsessed kid been so hard to resist. The New York Times Gripping... I would recommend this book to anyone who loves a good mystery. I think everyone will be enthralled by Theodore Boone. Scholastic News A master of his craft. The Guardian **Werbetext** John Grisham delivers high intensity legal drama for a new generation of readers in the fifth novel in his bestselling Theodore Boone series.
